

- (3) This rule extends to an access arrangement proposal consisting of a proposed limited access arrangement for an international pipeline to which a price regulation exemption applies.

130 Decision on access arrangement proposal for limited access arrangement (or for variation of a limited access arrangement) for international pipeline to which a price regulation exemption applies

- (1) A decision to approve, or not to approve, an access arrangement proposal for a limited access arrangement for an international pipeline to which a price regulation exemption applies, or for variation of such an access arrangement, must be made:
- (a) in accordance with the expedited consultation procedure; and
 - (b) within 4 months after submission of the access arrangement proposal for the AER's approval.
- (2) If the AER, in its final decision, decides to approve the limited access arrangement proposal, the access arrangement or the variation to which the proposal relates takes effect on a date fixed in the final decision or, if no date is so fixed, 10 business days after the date of the final decision.
- (3) The time limit fixed by subrule (1)(b) cannot be extended by more than a further 2 months.

Part 14 Reclassification of pipelines

131 Reclassification application (Section 128 of the NGL)

A reclassification application must:

- (a) identify the pipeline to which the application relates; and
- (b) specify the nature of the reclassification sought by the applicant; and
- (c) demonstrate that the reclassification would be consistent with the pipeline classification criterion; and
- (d) include, or be accompanied by, any further information or materials on which the applicant relies in support of the

application.

132 Reclassification decision (Section 129 of the NGL)

- (1) The NCC must deal with a reclassification application in accordance with the expedited consultative procedure.
- (2) A Minister who could, as a result of the decision taken on the reclassification application, become or cease to be the relevant Minister for the pipeline is to be regarded as a party to the application.
- (3) A reclassification decision must:
 - (a) be in writing; and
 - (b) identify the pipeline to which the decision relates; and
 - (c) include a reference to a website at which a description of the pipeline can be inspected; and
 - (d) state the terms of the decision and the reasons for it.

Part 15 Scheme register

133 Establishment and maintenance of register

- (1) The AEMC must establish and maintain a register (the ***scheme register***).
- (2) The scheme register is a register of all pipelines that are, or have been, subject to any form of regulation or exemption from regulation under the Law or the old scheme.
- (3) The scheme register is to include for each pipeline:
 - (a) a description of the pipeline (including, in the case of a covered pipeline, historical information about extensions and capacity expansions occurring while the pipeline was covered); and
 - (b) the pipeline's classification and regulatory history under the Law and the old scheme.
- (4) The scheme register is to include the text of current and former:
 - (a) greenfields pipeline incentives; and
