

application.

### **132      Reclassification decision (Section 129 of the NGL)**

- (1) The NCC must deal with a reclassification application in accordance with the expedited consultative procedure.
- (2) A Minister who could, as a result of the decision taken on the reclassification application, become or cease to be the relevant Minister for the pipeline is to be regarded as a party to the application.
- (3) A reclassification decision must:
  - (a) be in writing; and
  - (b) identify the pipeline to which the decision relates; and
  - (c) include a reference to a website at which a description of the pipeline can be inspected; and
  - (d) state the terms of the decision and the reasons for it.

## **Part 15              Scheme register**

### **133      Establishment and maintenance of register**

- (1) The AEMC must establish and maintain a register (the ***scheme register***).
- (2) The scheme register is a register of all pipelines that are, or have been, subject to any form of regulation or exemption from regulation under the Law or the old scheme.
- (3) The scheme register is to include for each pipeline:
  - (a) a description of the pipeline (including, in the case of a covered pipeline, historical information about extensions and capacity expansions occurring while the pipeline was covered); and
  - (b) the pipeline's classification and regulatory history under the Law and the old scheme.
- (4) The scheme register is to include the text of current and former:
  - (a) greenfields pipeline incentives; and

- (b) tender approval decisions; and
- (c) coverage determinations; and
- (d) coverage revocation determinations; and
- (e) light regulation determinations; and
- (f) applicable access arrangements.

#### **134 Notification of extension or capacity expansion**

When the description of a scheme pipeline is affected by an extension or capacity expansion, the service provider must give the AEMC a revised description of the pipeline, incorporating the extension or expansion, for inclusion in the register.

#### **135 Public availability of the register**

The scheme register:

- (a) must be accessible on the AEMC's website; and
- (b) must be available for inspection by the public at the AEMC's public offices during business hours.

### **Part 16 Confidential information**

#### **136 Interpretation**

In this Part:

**gas supply information** means information obtained by a service provider (but not from a public source) about a person's:

- (a) use or prospective use of pipeline services; or
- (b) acquisition or consumption, or prospective acquisition or consumption, of natural gas.

**improper** – disclosure or use of relevant confidential information is improper if the information is disclosed or used contrary to this Part.

**recognised stock exchange** means:

- (a) a stock exchange that is a member of the World Federation of
