

National Gas Rules Version 40

Status Information

This is the latest electronically available version of the National Gas Rules as at 30 September 2018.

This consolidated version of the National Gas Rules was last updated on 30 September 2018 as a result of the commencement of the following amendments:

Schedule 1 the National Gas Amendment (Improvements to Natural Gas Bulletin Board) Rule 2017 No. 3

Schedule 2 of the National Gas Amendment (Minor changes) Rule 2018 No. 1

This consolidated version of the Rules reflects the initial Rules made by the SA Minister under section 294 of the National Gas Law (**NGL**) as amended by:

Rules made by the South Australian Minister under sections 294A to 294F of the NGL;
and

Rules made by the Australian Energy Market Commission under Chapter 9, Part 3 of the NGL.

Application of the National Energy Customer Framework related Rule

On 27 June 2012, the South Australian Minister made Rules relating to the implementation of the National Energy Customer Framework (**NECF**), including amendments to the National Gas Rules under section 294C of the NGL (**NECF related Rule**). The NECF related Rule commenced operation as a law of Tasmania, the Australian Capital Territory and the Commonwealth on 1 July 2012; South Australia on 1 February 2013, New South Wales on 1 July 2013 and Queensland on 1 July 2015.

The NECF related Rule does not apply in Victoria, Western Australia or the Northern Territory until the National Energy Retail Law set out in the Schedule to the National Energy Retail Law (South Australia) Act 2011 is implemented as a law in that jurisdiction (clause 88, Part 13, Schedule 3 NGL). The NECF related Rule can be found on the Australian Energy Market Commission's website under the 'National Gas Rules', 'Rules made by the SA Minister' tabs.

Provisions in force

All provisions displayed in this consolidated version of the Rules have commenced.

TABLE OF CONTENTS

Part 1 Preliminary 1

1 Citation..... 1

2 Commencement 1

3 Interpretation..... 1

Part 2 AER to provide information, and promote informed discussion, on regulatory issues 6

4 Interpretation..... 6

5 Discussion papers on regulatory issues..... 6

6 Submissions, comments and public discussions..... 6

Part 3 Decision-making under the Law..... 7

Division 1 Preliminary 7

7 Definitions..... 7

Division 2 Decision making models 7

8 Standard consultative procedure 7

9 Expedited consultative procedure 9

9A Extended consultative procedure 10

9B Rate of return consultative procedure 12

Division 3 Summary rejection of certain proposals..... 13

10 General power to reject non-compliant or frivolous proposals 13

Division 4 Time limits 14

11 Calculation of time..... 14

12 Power to extend time limits 14

13 Absolute time limit for full access arrangement proposal 15

14 Decisions made out of time..... 15

Part 4 Coverage 16

Division 1 Coverage determination 16

15 Application for coverage determination (Section 92(2) of the NGL)..... 16

16 Making of coverage recommendation (Sections 93 and 95 of the NGL) ... 16

17 Relevant Minister's determination of the application (Section 99 of the NGL) 17

Division 2 Coverage revocation determination 17

18 Application for coverage revocation determination (Section 102 of the NGL)..... 17

19 Making of coverage revocation recommendation (Sections 103 and 104 of the NGL) 19

20 Relevant Minister's determination of the application (Section 106(5) of the NGL)..... 19

Part 5 Competitive tendering 21

21 Application for approval of tender process as a competitive tender process 21

22 Approval of process as competitive tender process 21

23 Time limit for completion of tender process..... 22

24 Report on the conduct of the tender process 22

25 Lapse or revocation of tender approval decision 23

26 Classification of tender approval pipeline 24

27 CTP access arrangement 24

28 Notification of AEMC 25

29 Non-application of Parts 8, 9 and 10 25

Part 6 Ring fencing 26

30 Imposition of additional ring fencing requirement (Section 143 of the NGL) 26

31 Exemptions from minimum ring-fencing requirements (Section 146 of the NGL) 26

32 Approval of associate contracts etc (Sections 147 and 148 of the NGL) 27

33 Notification of associate contracts 27

Part 7 Light regulation determinations 29

Division 1 Making and effect of light regulation determinations 29

34 Application for light regulation determination (Section 112(2) of the NGL) 29

35 NCC's decision on the application (Sections 113 and 114 of the NGL)..... 30

36 Service provider must publish terms and conditions of access to light regulation services 31

37 Service provider must provide information about access negotiations for light regulation services 31

Division 2 Revocation of light regulation determinations 32

38 Application for revocation of light regulation determination (Section 118(2) of the NGL)..... 32

39 NCC's decision on application (Sections 119 and 120 of the NGL) 32

Part 8 Access arrangements 33

Division 1 AER's decisions regarding approval of access arrangement proposals 33

40 AER's discretion in decision making process regarding access arrangement proposal..... 33

41 Access arrangement proposal to be approved in its entirety or not at all ... 34

Division 2 Access arrangement information..... 34

42 General requirements for access arrangement information 34

43 Requirement to provide access arrangement information 34

44 Publication etc of access arrangement information 35

Division 3 Limited access arrangements..... 35

45 Requirements for limited access arrangement (and limited access arrangement proposal) (Section 116(2) of the NGL)..... 35

Division 4 Full access arrangements 36

46 Submission of full access arrangement proposal (Section 132 of the NGL)36

47 Voluntary submission of access arrangement proposal for full access arrangement (Section 127 of the NGL) 37

48 Requirements for full access arrangement (and full access arrangement proposal) 38

Division 5 Review and expiry of certain access arrangements 39

49 Review submission, revision commencement and expiry dates 39

50 Review of access arrangements 39

51 Acceleration of review submission date 40

52 Access arrangement revision proposal..... 40

Division 6 Division or consolidation of access arrangements..... 41

53 Access arrangement proposal for division or consolidation of access arrangements 41

Division 7 Procedure for dealing with limited access arrangement proposal..... 42

54 Application of this Division..... 42

55 Decision on limited access arrangement proposal 42

Division 8 Procedure for dealing with full access arrangement proposal 42

56 Application of this Division..... 42

57 Pre-submission conference 43

58 Notification of submission of full access arrangement proposal for approval43

59 Access arrangement draft decision 43

60 Revision of access arrangement proposal in response to draft decision 45

61	Hearing relating to access arrangement draft decision	45
62	Access arrangement final decision.....	46
Division 9	Power of the AER to make and approve its own proposal for an arrangement or revisions to an access arrangement	46
63	AER's power to make or revise access arrangement on failure by service provider to submit an access arrangement proposal	46
64	AER's power to make or revise access arrangement on refusing to approve an access arrangement proposal.....	47
Division 10	Supplementary power to vary applicable access arrangement	48
65	Application for variation of applicable access arrangement.....	48
66	Preliminary assessment of access arrangement variation proposal	48
67	Decision on access arrangement variation proposal	49
Division 11	AER's power to vary or revoke access arrangement.....	49
68	AER may vary or revoke access arrangement	49
Part 9	Price and revenue regulation.....	51
Division 1	Preliminary	51
69	Interpretation.....	51
70	Application of this Part	51
71	Assessment of compliance	51
Division 2	Access arrangement information relevant to price and revenue regulation	52
72	Specific requirements for access arrangement information relevant to price and revenue regulation	52
73	Basis on which financial information is to be provided	53
74	Forecasts and estimates.....	54
75	Inferred or derivative information	54
Division 3	Building block approach	54
76	Total revenue	54
Division 4	The Capital base.....	54
77	Opening capital base	54
78	Projected capital base.....	56
79	New capital expenditure criteria	56
80	AER's power to make advance determination with regard to future capital expenditure.....	58
81	Non-conforming capital expenditure	58
82	Capital contributions by users to new capital expenditure	58

83	Surcharges	58
84	Speculative capital expenditure account	59
85	Capital redundancy	59
86	Re-use of redundant assets	60
Division 5	Rate of return	60
87	Rate of return	60
87A	Estimated cost of corporate income tax	63
Division 6	Depreciation.....	64
88	Depreciation schedule	64
89	Depreciation criteria.....	64
90	Calculation of depreciation for rolling forward capital base from one access arrangement period to the next	65
Division 7	Operating expenditure.....	65
91	Criteria governing operating expenditure	65
Division 8	Tariffs.....	65
92	Revenue equalisation	65
93	Allocation of total revenue and costs	66
94	Tariffs – distribution pipelines	66
95	Tariffs – transmission pipelines	67
96	Prudent discounts	68
97	Mechanics of reference tariff variation	69
Division 9	Incentive mechanisms	70
98	Incentive mechanism	70
Division 10	Fixed principles	70
99	Fixed principles.....	70
Part 10	Other provisions of and concerning access arrangement	71
Division 1	General.....	71
100	General requirement for consistency	71
101	Full access arrangement to contain statement of reference services.....	71
102	Variable operation of access arrangement	71
Division 2	Specific provisions.....	71
103	Queuing requirements	71
104	Extension and expansion requirements.....	72
105	Capacity trading requirements	72

106 Change of receipt or delivery point by user..... 73

Part 11 Facilitation of, and request for, access..... 75

107 Availability of applicable access arrangement and other information..... 75

108 Information about tariffs 75

109 Prohibition of bundling of services 76

110 Information to be provided by users about unutilised contracted capacity . 76

111 Public registers of spare capacity..... 77

112 Requests for access 79

Part 12 Access disputes 81

Division 1 Preliminary 81

113 Interpretation..... 81

Division 2 Safety of operation notification..... 81

114 Safety of operation notification 81

115 Expert safety report..... 81

116 Access determination 82

Division 3 Access determinations 82

117 Past capital contributions (Section 190 of the NGL)..... 82

118 Access determination requiring expansion of capacity (Section 191 of the NGL) 82

119 Variation of applicable access arrangement to accommodate capacity expansion (Section 191 of the NGL) 83

Part 12A Gas connection for retail customers..... 85

Division 1 Definitions..... 85

119A Definitions..... 85

Division 2 Standardised offers to provide basic and standard connection services 87

Subdivision 1 Basic connection services..... 87

119B Obligation to have model standing offer to provide basic connection services 87

119C Proposed model standing offer for basic connection services 87

119D Approval of terms and conditions of model standing offer to provide basic connection services..... 88

Subdivision 2 Standard connection services..... 89

119E Standard connection services 89

119F Approval of model standing offer to provide standard connection services..... 90

Subdivision 3	Miscellaneous.....	90
119G	Amendment etc of model standing offer	90
119H	Publication of model standing offers	91
Division 3	Negotiated connection.....	91
119I	Negotiation of connection.....	91
119J	Process of negotiation	92
119K	Negotiation framework	92
119L	Fee to cover cost of negotiation.....	93
Division 4	Connection charges.....	94
119M	Connection charges criteria.....	94
119N	Nature of connection charges.....	95
119O	Payment of connection charges	95
Division 5	Application for connection service	95
Subdivision 1	Information.....	95
119P	Publication of information	95
Subdivision 2	Preliminary enquiry.....	96
119Q	Preliminary enquiry	96
Subdivision 3	Applications	97
119R	Application process.....	97
Division 6	Formation of connection contracts.....	98
Subdivision 1	Offer and acceptance – basic and standard connection services.....	98
119S	Distributor’s response to application	98
119T	Acceptance of connection offer	99
119U	Offer and acceptance – application for expedited connection.....	99
Subdivision 2	Offer and acceptance – negotiated connection.....	100
119V	Negotiated connection offer.....	100
Subdivision 3	Formation of contract.....	100
119W	Acceptance of connection offer	100
Subdivision 4	Contractual performance.....	101
119X	Carrying out connection work	101
119XX	Retailer required for energisation where new connection	101
Division 7	Dispute resolution between distributors and retail customers	101
119Y	Relevant disputes	101
119Z	Determination of dispute.....	102
119ZA	Termination of proceedings	102
Part 13	Greenfields Incentives	103
Division 1	Preliminary	103
120	Excluded infrastructure (Section 149 of the NGL).....	103

121	Pipeline description (Section 151(3) and section 160(2) of the NGL)	103
Division 2	15-year no-coverage determinations	103
122	Application for 15-year no-coverage determination (Section 151(3) of the NGL)	103
123	Recommendation on application for 15 year no-coverage determination (Sections 152 and 153 of the NGL)	105
124	Relevant Minister's determination of the application (Section 156(5) of the NGL)	105
Division 3	Price regulation exemptions.....	106
125	Application for price regulation exemption (Section 160(2) of the NGL)	106
126	How NCC deals with application for a price regulation exemption (Section 161 of the NGL).....	107
127	NCC's recommendation (Section 162 of the NGL)	108
128	Making of price regulation exemption (Section 164 of the NGL).....	108
Division 4	Limited access arrangement for international pipeline	109
129	Limited access arrangement (or limited access arrangement proposal) for international pipeline to which price regulation exemption applies (Section 168 of the NGL)	109
130	Decision on access arrangement proposal for limited access arrangement (or for variation of a limited access arrangement) for international pipeline to which a price regulation exemption applies.....	110
Part 14	Reclassification of pipelines	111
131	Reclassification application (Section 128 of the NGL)	111
132	Reclassification decision (Section 129 of the NGL).....	111
Part 15	Scheme register	112
133	Establishment and maintenance of register.....	112
134	Notification of extension or capacity expansion.....	112
135	Public availability of the register	112
Part 15A	Registered participants.....	113
Division 1	Registration	113
135A	Participation in declared wholesale gas market of adoptive jurisdiction...	113
135AB	Retail market participation.....	114
135ABA	Short term trading market participation	117
135AC	General requirements for registration	118
135AD	Application for registration.....	118

135AE Registration 119

135AF Intending participants..... 119

135AG Exemption from registration 119

135AH Revocation of registration or exemption..... 120

135AI Liability after revocation..... 121

Division 2 Register 121

135B Obligation to keep register..... 121

Division 3 Participant fees..... 123

135C Definitions..... 123

135CA Development of participant fee structure..... 123

135CB Major gas project 124

135CC Components of participant fees 124

135CD Publication of fee structure 125

135CE Payment of participant fees..... 125

145	Purpose of the Bulletin Board.....	165
146	Maintaining the Bulletin Board	165
147	AEMO to maintain BB Register	165
148	Information on compliance	166
149	Biennial reports	166
Division 3	Register and registration.....	167
Subdivision 3.1	Registration of facility operators and BB facilities.....	167
150	Registration obligations of facility operators.....	167
151	Obligation to register BB facilities	167
152	Registration by members of facility operator groups	168
Subdivision 3.2	[Intentionally left blank].....	169
153	[Intentionally left blank.]	169
154	[Intentionally left blank.]	169
155	[Intentionally left blank.]	169
Subdivision 3.3	Change of operator and early registration.....	169
156	Change of operator.....	169
157	Change to facility operator group	170
158	Early registration application.....	170
Subdivision 3.4	Application process.....	171
159	Applications for registration	171
160	AEMO to register applicants and their facilities.....	171
161	Revocation of registration.....	171
Subdivision 3.5	BB shipper registration and contact details	172
162	BB shipper registration	172
163	Provision of contact details.....	172
Subdivision 3.6	Exemptions from Division 5.....	173
164	Availability and effect of exemptions.....	173
Division 4	Information standard and related obligations	173
165	Standard for information or data given under this Part or the BB Procedures.....	173

166 Information to be provided in accordance with the BB Procedures 175

167 Use of default values..... 175

Division 5 Information to be provided by BB reporting entities 176

Subdivision 5.1 Nameplate ratings and detailed facility information 176

168 Nameplate rating information 176

169 Detailed facility information for all BB facilities 177

170 Gas day start times for all BB facilities 177

Subdivision 5.2 [Intentionally left blank]..... 178

171 [Intentionally left blank.] 178

Subdivision 5.3 Pipeline and storage capacity bookings 178

172 Information about BB shippers with primary pipeline capacity 178

173 [Intentionally left blank.] 178

174 Secondary trade data for BB pipelines..... 178

175 12 month outlook of uncontracted primary pipeline capacity 178

176 [Intentionally left blank.] 179

177 12 month outlook of uncontracted storage capacity 179

Subdivision 5.4 Short term and medium term capacity outlooks 179

178 Short term capacity outlooks for BB facilities..... 179

179 Linepack/capacity adequacy indicator for all BB pipelines 179

180 [Intentionally left blank.] 180

181 Medium term capacity outlooks for BB facilities..... 180

Subdivision 5.5 Nominated and forecast use of storage and pipelines..... 180

182 Nominated and forecast use of BB storage facilities 180

183 Nominated and forecast delivery information for BB pipelines 181

184 [Intentionally left blank.] 182

185 Nominated and forecast use of production facilities..... 182

Subdivision 5.6 Actual production and flow data 182

186 Basis of calculation 182

187 Daily flow data for BB pipelines 183

188 Daily production and storage data 183

189 [Intentionally left blank.] 184

190 [Intentionally left blank.] 184

Division 6 Other information 184

191 BB Participants may indicate spare capacity available for purchase or capacity requirements 184

192 BB participants may indicate gas available for purchase or gas requirements 184

Division 7 Publication of information by AEMO..... 184

193 Publication of information by AEMO 184

194 Publication of information provided to AEMO under Division 5 185

195 Publication of representation of actual flows..... 185

Division 8 Access to the Bulletin Board 186

196 BB users bound by terms of use 186

197 BB user requests access to archive information (Section 222 of the NGL) 186

Part 19 Declared Wholesale Gas Market Rules 187

Division 1 Preliminary 187

199 Application of this Part 187

Subdivision 1	Connection to the declared transmission system	256
267	Application of this Subdivision.....	256
268	Obligations of declared transmission system service provider.....	256
269	Obligations of AEMO.....	257
270	Obligations of Connected Parties.....	257
271	Application for new or modified connection.....	258
272	AEMO to approve application.....	258
273	Offer to connect.....	259
274	Finalisation of connection agreements.....	260
275	Approval of connection agreements by AEMO.....	260

276	Confidential Information	261
277	Operating agreements for connected facilities.....	262
Subdivision 2	LNG Storage.....	262
278	Obligations of AEMO	262
279	Obligations of an LNG storage provider	262
280	Provision of information relating to an LNG storage facility.....	262
281	LNG storage capacity	263
282	[Deleted]	263
283	[Deleted]	263
284	Vaporisation of LNG and LNG injection bids.....	263
285	[Deleted]	264
286	[Deleted]	264
Subdivision 3	Gas Quality.....	264
287	Gas quality standards	264
288	Gas quality monitoring	265
289	Off-specification gas	266
Subdivision 4	Metering.....	268
290	Obligations of Market Participants to establish metering installations	268
291	Obligations of declared transmission system Service Providers to establish metering installations	269
292	Responsibility for metering installation.....	269
293	Other responsibilities of a responsible person	271
294	Additional metering	271
295	Metering installation components.....	272
296	Location of metering point.....	273
297	Procedures.....	273
298	Meter accuracy.....	273
299	Calibration of metering installations.....	273
300	Security of metering equipment.....	275
301	Security of metering data held in a metering installation	276
302	Changes to metering parameters and settings	276
303	Energy metering and measurement.....	277
304	Performance of metering installations	279
305	Meter Time.....	279
306	Pulse output facilities.....	280
307	Changes to metering data.....	280
308	Data transfer and collection	280
309	Installation databases	281
310	Metering database	282
311	Register of metering information.....	283
312	Rights of access to metering data.....	283
313	Payment for access to metering data.....	284
314	Data validation and substitution.....	285
315	Confidentiality	287
316	Use of meters	287
Subdivision 5	Declared distribution system – unaccounted for gas.....	288
317	Procedures for dealing with unaccounted for gas	288

Division 4	Market information and system planning	288
Subdivision 1	Market information	288
318	Provision of information	288
319	Systems and procedures	288
320	Spot market	289
321	Information records	290
322	Market audit	290
Subdivision 2	Forecasts and Planning and Maintenance Reviews	291
323	Planning reviews	291
324	Participant disclosure obligations	292
325	Disclosure exemptions	294
326	Maintenance planning	294
Subdivision 3	MDQ Authorisation	296
327	Agreement for provision of transportation services	296
327A	Register of existing authorised MDQ and AMDQ credit certificates	297
328	Information on authorised MDQ	297
329	Declared transmission system service provider and AEMO to agree increases in capacity from extensions or expansions	298
329A	Capacity which is available for allocation as AMDQ credit certificates	298
329B	Responsibility for allocation of AMDQ credit certificates relating to existing capacity	299
329C	Responsibility for allocation of additional AMDQ credit certificates relating to new capacity	299
329D	Amendment of service envelope agreement	300
329E	Allocation of AMDQ credit certificates at direction of declared transmission system service provider	300
329F	AEMO re-allocations of authorised MDQ	301
329G	AEMO allocations of AMDQ credit certificates	302
330	Proceeds of AEMO auctions of Authorised MDQ or AMDQ credit certificates	303
331	Transfer of authorised MDQ or AMDQ credit certificates	303
332	Relinquishment of authorised MDQ or AMDQ credit certificate	303
Division 5	Intervention and market suspension	303
Subdivision 1	Emergencies	303
333	Emergency	303
Subdivision 2	Emergency Planning by Participants	305
334	Participant emergency contacts	305
335	Participant safety procedures	305
336	Emergency procedures awareness	306
Subdivision 3	Emergency curtailment of Customers	306
337	Distribution Customers - curtailment information	306
338	Transmission Customers - curtailment information	307
Subdivision 4	Response to an emergency	308
339	Declarations and directions in an emergency	308
Subdivision 5	System security threat	308

340	Non-firm gas	308
341	Notice of threat to system security.....	309
342	Market response to threat to system security	310
343	Intervention due to system security threat	310
344	Participant Claims in respect of intervention.....	311
Subdivision 6	Market suspension	312
345	[Deleted]	312
346	[Deleted]	312
347	Conditions for suspension of the market	312
348	Declaration of market suspension.....	312
349	Effect of market suspension.....	312
350	Registered participant claims in respect of application of administered price cap	313
351	Intervention reports	313
Division 6	Dispute Resolution	314
352	Eligible parties	314
353	Time limits.....	314
Division 7	Enforcement and Monitoring	315
354	Monitoring the market	315
355	Significant price variations	315
Division 8	Development of proposals for rules under this Part.....	315
356	Rule proposals.....	315
357	Consultation on rule proposal	316
358	AEMO decision on rule proposal	316
359	Other rule requests by AEMO	317
Division 9	Derogations.....	317
360	[Deleted]	317
361	Uplift payment procedures.....	317
362	Longford measuring station	317
Part 20	Short Term Trading Market Rules.....	318
Division 1	Preliminary	318
363	Application of this Part	318
364	Definitions.....	318
365	Multiple STTM facility operators for STTM production facility or STTM storage facility	333
366	Time and Dates	334
367	Technical Interpretation	334
368	STTM interface protocol.....	334
369	Standard for information or data given under this Part or the STTM Procedures.....	335
370	Reliance on registered information	335

Division 2	Hubs and STTM Distribution Systems	336
371	Adelaide hub	336
372	Sydney hub.....	336
372A	Brisbane hub	337
Division 3	Registration of Trading Participants	338
Subdivision 1	Registration as a Trading Participant.....	338
373	Additional requirements for registration as an STTM User	338
374	Notice of revocation of registration or exemption.....	338
Subdivision 2	Register	338
375	Register to contain additional information for STTM	338
Division 4	Information about STTM Facilities and STTM Distribution Systems.....	339
376	Obligation to provide information	339
377	Registration of information.....	340
378	Changes to information.....	341
Division 5	Registration of Services and Trading Rights.....	341
Subdivision 1	Preliminary	341
379	Confidentiality	341
Subdivision 2	Facility services and distribution services	341
380	Contract holders to provide information to AEMO	341
381	Information requirements.....	342
382	Confirmation of information.....	343
383	Registration or rejection of information	343
Subdivision 3	Trading rights.....	343
384	Trading right of contract holder.....	343
385	Additional trading rights	345
386	Registration of trading rights	346
Subdivision 4	Allocation agents	347
387	Obligation to ensure compliance	347
388	Registration requirement and application	347
389	Registration	348
Subdivision 5	Changes to registered services and trading rights	348
390	Changes to details of registered services	348
391	Confirmation and consequential changes to trading rights.....	349
392	Registration of changes to registered service and trading rights	349
393	Changes to details of additional trading rights	350
394	Change of allocation agent for trading rights	350
395	Termination or assignment of services	350
395A	Expiry of registered distribution services	351
Division 6	Market Operator Service	351
396	MOS period.....	351
397	MOS estimate.....	352
398	Request for MOS increase offers and MOS decrease offers	352
399	Conditions relating to MOS	352

400 Making MOS increase offers or MOS decrease offers 354

401 MOS stacks 354

402 Additional requirements for MOS stacks 355

403 Procurement or provision of MOS by AEMO 356

Division 7 Market Operations..... 358

Subdivision 1 Scheduling and pricing 358

404 AEMO to establish SPA 358

405 General requirements 358

Subdivision 2 Scheduling for the ex ante market..... 359

406 Requirement to submit ex ante offers, ex ante bids and price taker bids 359

407 Ex ante offers 360

408 Ex ante bids 361

409 Price taker bids 361

410 Timing of submissions of ex ante offers, ex ante bids and price taker bids 361

411 Confirmation by AEMO 362

412 Multiple day offers and bids 363

413 Good faith for ex ante offers, ex ante bids and price taker bids 363

414 Capacity information 363

415 Issue of schedules 364

416 Timing for issue of provisional schedules 366

417 Ex ante market schedule 367

Subdivision 3 Allocations 368

418 Ownership, risk and responsibility for gas 368

419 STTM facility allocations 369

420 Registered facility service allocations 371

421 Allocation of pipeline deviations (MOS)..... 373

422 STTM distribution system allocations 375

423 Market schedule variations 376

424 MOS allocation service costs 377

425 Payment of MOS allocation service costs 378

Subdivision 4 Ex post imbalance price..... 379

426 Ex post imbalance price 379

Subdivision 5 Effect of scheduling errors and dispute resolution processes 380

427 Effect of scheduling errors and dispute resolution processes 380

Subdivision 6 Administered Market States 380

428 Administered price cap state 380

429 Administered ex post pricing state 382

430 Market administered scheduling state 383

431 Market administered settlement state 384

432 Cumulative price threshold 385

433 Trading Participant claims in respect of application of administered market states 385

Division 8 Contingency Gas 386

Subdivision 1 Contingency Gas Offers and Bids 386
434 Details to be provided 386
435 Contingency gas offers 386
436 Contingency gas bids 387
437 Confirmation by AEMO 388
438 Multiple-day contingency gas offers and contingency gas bids 388
439 Good faith for contingency gas offers and contingency gas bids 389

Subdivision 2 Contingency gas trigger event..... 389
439A Application..... 389
440 Contingency gas trigger event 389
441 Notification and communication..... 390

Subdivision 2 Contingency gas trigger event..... 391
442 CG assessment conference..... 391
443 Industry conference..... 392
444 Determination of contingency gas requirement..... 392

Subdivision 3 Calling and scheduling contingency gas 394
445 Confirmation of contingency gas offers or contingency gas bids..... 394
446 Scheduling contingency gas..... 394
447 High contingency gas price..... 395
448 Low contingency gas price 396
449 Information about scheduled contingency gas..... 396
450 Scheduling errors 396

Division 9 Scheduling Errors and the Participant Compensation Fund 397
451 Establishment of the participant compensation fund 397
452 Funding the participant compensation fund..... 397
453 Liability for scheduling errors 398
454 Process for establishing whether a scheduling error has occurred 399
455 Compensation for scheduling errors 399
456 When an entitlement to compensation arises..... 400
457 Amount of compensation..... 400

Division 10 Market Settlement and Prudential Requirements..... 402

Subdivision 1 Preliminary 402
458 Confidential information..... 402

Subdivision 2 Settlements..... 402
459 Settlements management by AEMO..... 402
460 Electronic funds transfer 402
461 Amounts for gas days..... 403
462 Determining deviation charges and deviation payments 404
463 Graduated variation parameters 404
464 Settlement amounts for billing periods 405
465 Claims relating to administered market states 406
466 Determination and payment of claims 407
467 General requirements for statements 408
468 Preliminary statements..... 408

469	Final statements	408
470	Payment by Trading Participants	408
471	Payment to Trading Participants	409
472	Settlement queries and disputes	409
473	Revised statements	410
474	Payments of adjustments	411
475	Maximum total payment in respect of a billing period	412
476	Interest on overdue amounts	413
477	Application of GST	413
Subdivision 3	Prudential Requirements	413
478	Provision of security	413
479	Form of security	414
480	Amount of security	415
481	Replacement security	415
482	Drawdown of security	416
483	Trading limits	416
484	Monitoring	417
485	Margin calls	417
Subdivision 4	Default and Suspension	418
486	Default events	418
487	Default Notice	419
488	Suspension of a Trading Participant	421
Division 11	Market Reviews.....	423
489	[Deleted]	423
490	Review of hubs	423
491	Review of within-day market.....	423
492	Review of market parameters	423
493	Review of Division 8	424
494	Consultation requirements	424
Division 12	Market Audit and Monitoring.....	424
495	Retention of information.....	424
496	Market audit	424
497	AEMO to report on reviewable events	425
498	AER monitoring of the STTM.....	426
Division 13	Dispute Resolution	426
499	Eligible parties	426
500	Time limits	426
Division 14	Matched allocation agreements	427
500A	Matched allocation agreements.....	427
500B	Exclusion of matched allocation quantities	428

**Part 21 Retail support obligations between distributors and
retailers 430**

Division 1 Application and definitions 430

501 Application of this Part 430

502 Definitions..... 430

Division 2 Billing and payment rules 431

503 Obligation to pay..... 431

504 Distributor to inform retailer of direct customer billing 431

505 Calculating distribution service charges 431

506 Statement of charges 431

507 Time and manner of payment 432

Division 3 Other general billing and payment matters 432

508 Adjustment of distribution service charges..... 432

509 Tariff reassignment 433

510 Disputed statements of charges..... 433

511 Interest..... 434

512 Notification of changes to distribution service charges 434

Division 4 Credit support required for late payment 435

513 Application of Division 4..... 435

514 Distributor may require credit support in limited circumstances..... 435

515 Retailer to provide credit support 436

516 Acceptable form of credit support 436

517 Application of credit support 437

518 Return of credit support 437

519 Other retailer obligations 437

520 Pass through of unpaid distribution service charges..... 437

Schedule 1 to Part 21..... 439

Schedule 2 to Part 21..... 439

Part 22 Gas Trading Exchange 441

Division 1 Preliminary 441

532 Application of this Part 441

533 Definitions..... 441

Division 2 Operator..... 441

534 Fees recoverable by AEMO 441

535 Appointment of Operator by AEMO 442

536	Determination of payments.....	442
Division 3	Membership and Participation.....	443
537	Becoming a member	443
538	Suspension and termination	443
Division 4	Exchange Agreement.....	444
539	Requirement for exchange agreement	444
540	Amendment of exchange agreement.....	444
541	Minimum content of exchange agreement.....	446
Division 5	Market Conduct Rules	447
542	General requirements	447
543	Conduct in relation to trading	447
544	Conduct in relation to information	448
545	AER monitoring of gas trading exchange.....	448
Part 23	Access to non-scheme pipelines	449
Division 1	Preliminary.....	449
546	Objective	449
547	Application.....	449
548	Structure of this Part	449
549	Definitions and interpretation	450
550	Pipeline classification	454
Division 2	Information.....	454
551	Access information standard.....	454
552	Obligation to publish information.....	455
553	Service and access information.....	457
554	Standing terms	459
555	Financial information.....	459
556	Weighted average price information.....	459
557	Financial reporting guidelines.....	460
Division 3	Access requests and negotiations.....	461
558	User access guide	461
559	Access requests	463
560	Access offer	464
561	Negotiations	465
562	Access negotiation information	466

Division 4 Arbitration of access disputes 468

563 Application of this Division 468

564 Access dispute notice 469

565 Reference to arbitration..... 469

566 Conduct of the parties 471

567 Statements to be provided to the arbitrator on appointment 471

568 Arbitrator to give effect to rule 562 472

569 Pricing and other principles 473

570 Matters that may be dealt with in a determination..... 474

571 Interim access determinations (NGL section 199(2))..... 476

572 Final access determinations 476

573 Effect of final access determination..... 477

574 Arbitration procedures 478

575 Experts appointed by the arbitrator – NGL section 199(1)(e)..... 479

576 Confidentiality 479

577 Conflict of interest 480

578 Termination of arbitration..... 481

579 Correction of errors..... 482

580 Costs..... 482

581 Information to be published about access determinations 483

Division 5 Scheme administrator..... 484

582 Role of the scheme administrator 484

583 Pool of arbitrators 484

584 Non-scheme pipeline arbitration guide 485

Division 6 Exemptions 486

585 Exemption categories..... 486

586 Exemption conditions 487

587 Revocation 488

588 Making and form of application 488

589 Decision on application..... 489

590 Decision to vary or revoke an exemption 489

Schedule 1 Transitional Provisions..... 490

Part 1 Transitional provisions consequent on initial National Gas Rules..... 490

1 Definitions..... 490

2	Effect to be given to transitional access arrangement under the rules	491
3	Facilitation of transition from the former access regime to the new access regime	491
4	Displacement of certain provisions of the Gas Code during transitional period	493
5	Access arrangement revision proposal for transitional access arrangement	493
6	Fixed principle in access arrangement for Dampier to Bunbury Natural Gas Pipeline	494
7	Additional criteria related to capital expenditure for WA transmission pipelines	494
8	Access arrangement variation proposal raising previously settled issues .	495
Part 2	Transitional provisions consequent on Australian Energy Market Operator Amendments	495
9	Review of operation of clause 10.....	495
10	Obligations imposing additional costs on service providers in NSW/ACT	496
11	Presumptive exemption from registration.....	497
12	Examination and assessment of proposals for the making of Procedures .	498
Part 3	Transitional provisions consequent on short term trading market amendments	498
13	Definitions.....	498
14	Registration of participants and allocation agents in a short term trading market through market trial process	499
15	Registration of STTM information through market trial process	500
16	Gas days to which Part 20 applies	500
17	First billing period.....	501
18	Market Operator Service.....	501
19	Ex ante offers, ex ante bids and price taker bids.....	501
20	Allocations	502
21	MOS allocation service costs.....	502
22	Ex post imbalance price	503
23	Contingency gas trigger event	503
24	Participant compensation fund.....	503
25	Amount of security	503
26	Matched allocation agreements.....	503
27	[Deleted]	504
28	Consultation and publication before the effective date.....	504
29	Commencement of STTM at Brisbane hub	504

Part 4	Transitional provisions consequent on the National Gas Amendment (Short Term Trading Market - Market Schedule Variation) Rule 2011.....	505
30	Definitions.....	505
31	Purpose.....	505
32	Time period for the provision of proposed market schedule variations	505
Part 5	Transitional provisions consequent on the National Gas Amendment (Price and Revenue Regulation of Gas Services) Rule 2012.....	506
33	Definitions.....	506
34	Modification of rule 52(3)	506
35	Extension of time	506
36	Modification of rule 92(3)	507
37	Rate of return guidelines	507
Part 6	Transitional Provisions consequent on the National Gas Amendment (STTM Brisbane Participant Compensation Fund) Rule 2013.....	507
38	Commencement of amendments to funding requirements for participant compensation fund for Brisbane hub	507
Part 7	Transitional Provisions consequent on the National Gas Amendment (MOS timing and eligibility) Rule 2013	508
39	Definitions.....	508
40	Commencement of amendments to MOS timing.....	508
Part 8	Transitional Provisions consequent on the National Gas Amendment (DWGM – AMDQ Allocation) Rule 2016.....	509
41	Definitions.....	509
42	AMDQ credit certificate auction procedures	509
43	AMDQ auction procedures	509
44	AMDQ credit certificate register	509
45	Directions to allocate AMDQ credit certificates before the effective date	509
46	Existing AMDQ credit certificates	510
Part 9	Transitional provisions consequent on the National Gas Amendment (Retailer Distributor Credit Support Requirements) Rule 2017 No. 1	510
47	Definitions.....	510
48	Continued operation of old Division 4 of Part 21	510
49	Interaction with rule 520.....	510
50	Application of new Division 4 of Part 21	510

Part 10	Transitional provisions consequent on the National Gas Amendment (Improvements to Natural Gas Bulletin Board) Rule 2017 No 3.....	511
51	Definitions.....	511
52	New BB Procedures.....	511
Part 11	Transitional provisions regarding cross period smoothing for Jemena Gas Networks	511
53	Definitions.....	511
54	Expiry.....	512
55	Application of Part 11	513
56	Adjustment determination.....	513
57	Recovery of revenue	513
58	Requirements for adjustment determination.....	514
59	Application of Parts 8 and 9 of the Rules	515
Schedule 2	[Deleted]	516
Schedule 3	Transitional Provisions for implementation of National Retail Framework	517
Part 1	Interim gas connection rules for NSW.....	517
1	Application.....	517
2	Definitions.....	517
3	Gas connection for retail customers—modifications to definitions in Part 12A.....	518
4	Approval of terms and conditions of model standing offer to provide basic connection services	519
5	Amendment of model standing offer	519
6	Publication of model standing offer.....	519
7	Connection charges	519
8	Application process.....	520
9	Acceptance of connection offer	520
10	Dispute resolution	520
11	Transitional arrangements after expiry date	520
Part 2	Interim gas connection rules for the Australian Capital Territory	520
1	Application.....	520
2	Definitions.....	520

3	Gas connection for retail customers—modifications to definitions in Part 12A.....	521
4	Approval of terms and conditions of model standing offer to provide basic connection services	522
5	Amendment of model standing offer	522
6	Publication of model standing offer.....	522
7	Connection charges	522
8	Application process.....	523
9	Acceptance of connection offer	523
10	Dispute resolution	523
11	Transitional arrangements after expiry date	523
Part 3	Interim rules for Retail Market Procedures (Victoria).....	523
1	Application.....	523
2	Definitions.....	523
3	Victorian procedures apply subject to this Part	524
4	Where customers of failed retailer not connected to a declared distribution system	524
5	Where failed retailer is a local area retailer	524
Part 4	Miscellaneous transitional rules	524
1	Update of Delivery Point Registry.....	524
2	Extension of time period for AER to consider certain pass through applications	524
Schedule 4	Transitional Provisions and derogations for Pipeline Access – Arbitration Framework	526
Part 1	Transitional	526
1	Initial financial reporting guidelines	526
2	Initial financial reporting and average weighted prices	526
Part 2	Derogation applicable to Northern Gas Pipeline	527
3	Northern Gas Pipeline.....	527
Part 3	Tasmanian fast track access disputes.....	527
4	Modified application of Part 23	527
5	Definitions.....	527
6	Access requests before the commencement date	528
7	Notification of access dispute	528
