 - (a) are consistent with the *NGL* and these rules; and
 - (b) are appropriate having regard to:
 - (i) the national gas objective; and
 - (ii) any compliance costs likely to be incurred by AEMO, Registered participants or BB participants in consequence of the Procedures;
 - (iii) any principles stated in these rules that are applicable to the relevant Procedures.
- (2) In making Retail Market Procedures, AEMO must have regard to any applicable access arrangement.
- (3) However, AEMO may make Retail Market Procedures that are inconsistent with an applicable access arrangement.
- (4) This rule does not apply in relation to Procedures that AEMO makes, or proposes to make, under section 144 of the *NERL*.

135EC Impact and implementation report

- (1) AEMO must establish a process (the **approved process**) for:
 - (a) examining and assessing a proposal for the making of Procedures; and
 - (b) preparing a report (an **impact and implementation report**) containing:
 - (i) a critical examination of a proposal for the making of Procedures; and
 - (ii) an assessment of the likely effect of the proposed Procedures; and
 - (iii) a recommendation on whether the Procedures should be made.
- (2) AEMO must consult on the proposed approved process in accordance with the *extended consultative procedure*.
- (3) AEMO must publish the approved process on its website.

135ED Proposal for making Procedures

- (1) AEMO or any other person may propose the making of Procedures.
- (2) The proposal must include:
 - (a) a draft of the proposed Procedures; and
 - (b) a description of, and an explanation of the reasons for, the proposed Procedures.
- (3) Within 40 business days of formulating, or receiving from some other proponent, a proposal for the making of Procedures, AEMO must prepare an impact and implementation report in accordance with the approved process.
- (4) AEMO may, without preparing an impact and implementation report, reject a proposal if AEMO reasonably considers that the proposed Procedures:
 - (a) lie beyond AEMO's power to make Procedures; or
 - (b) are similar to Procedures proposed, but rejected, in the previous 12 months; or
 - (c) are misconceived or lacking in substance.
- (5) If AEMO decides to reject a proposal under subrule (4), AEMO must:
 - (a) give the proponent written notice of the *decision* and the reasons for it; and
 - (b) publish the *decision* and the reasons for it on AEMO's website.
- (6) If a proponent withdraws its proposal for the making of Procedures, the process for making the Procedures lapses unless AEMO decides to adopt the proposal.
- (7) If AEMO is the proponent, subrules (4) to (6) do not apply.

135EE Ordinary process for making Procedures

- (1) This rule describes the ordinary process for making Procedures.

Note:

This rule represents the minimum requirements to which AEMO is subject. AEMO is not prevented from seeking useful commentary on the proposal by other means and from other sources.

- (2) AEMO must publish on its website a notice:
 - (a) setting out the proposed Procedures together with the impact and implementation report; and

- (b) inviting Registered participants and other interested persons to submit written comments on the proposed Procedures to AEMO on or before a date (which must be at least 20 business days after the date of the notice) specified in the notice.
- (3) The notice under subrule (2) must be published no more than 10 business days after completion of the impact and implementation report.
- (4) AEMO must publish a *decision* on its website within 20 business days after the closing date for submissions that:
 - (a) summarises any comments received on the proposed Procedures; and
 - (b) sets out the proposed Procedures and, if they have been revised in the light of the comments received, describes how and why they have been revised; and
 - (c) if the *decision* is to make the proposed Procedures – specifies the day on which the Procedures are to take effect; and
 - (d) if the *decision* is against making the proposed Procedures – states that the proposal has been rejected and gives reasons for its rejection.
- (5) At least 15 business days before the day on which new Procedures are to take effect or an earlier date fixed by these rules in a particular case, AEMO must:
 - (a) give notice of the new Procedures (in a manner and form determined by AEMO) to each Registered participant and BB participant; and
 - (b) publish the new Procedures on its website; and
 - (c) make copies of the new Procedures available to the public at its public offices.
- (6) In determining whether or not to make Procedures under this rule, AEMO:
 - (a) must take into account all relevant and material comments that it receives by the closing date for comments; and
 - (b) may, but is not required to, take into account any comments that it receives after that date.

135EF Expedited process for making Procedures

- (1) This rule describes the expedited process for making Procedures.
- (2) The expedited process is applicable if AEMO considers that:
 - (a) the Procedures are urgently necessary:
 - (i) to ensure the proper operation of a regulated gas market; or

- (ii) to ensure an adequate supply of natural gas; or
 - (iii) to ensure an appropriate response to an emergency; or
 - (b) the Procedures are non-material (i.e. unlikely to have a significant financial or operational impact on Registered participants or BB participants).
- (3) If the expedited process is applicable to a proposal, AEMO must, within 10 business days after completing an impact and implementation report, publish on its website a notice:
 - (a) setting out the proposed Procedures together with the impact and implementation report; and
 - (b) stating that AEMO considers the expedited procedure applicable to the making of the Procedures; and
 - (c) inviting Registered participants and other interested persons to submit written comments on the proposed Procedures to AEMO on or before a date (which must be at least 15 business days after the date of the notice) specified in the notice; and
 - (d) fixing a date (the **proposed effective date**) for the proposed Procedures to take effect.
- (4) After the closing date for submissions, AEMO must, by notice published on its website:
 - (a) confirm the proposal and confirm the proposed effective date or defer the proposed effective date to a later date specified in the notice; or
 - (b) amend the proposal and confirm the proposed effective date or defer the proposed effective date to a later date specified in the notice; or
 - (c) defer a *decision* on the proposal and provide for further consultation before a final *decision* on the proposal is made; or
 - (d) withdraw or reject the proposal.
- (5) At least 15 business days before the day on which Procedures are to take effect, AEMO must:
 - (a) give notice of the Procedures (in a manner and form determined by AEMO) to each Registered participant and BB participant; and
 - (b) publish the Procedures on its website;
 - (c) make copies of the Procedures available to the public at its public offices.

135EG Time limits

- (1) AEMO may, by notice published on its website, extend a time limit fixed by or under this Part if:
 - (a) the relevant proposal raises questions of such complexity or difficulty that an extension of the time limit is justified; or
 - (b) a material change of circumstances occurs justifying the extension of the time limit.

- (2) A notice published under subrule (1) must state the reasons for the extension.
