

Notice under National Electricity Law

On 9 August 2018, a notice was published by the AEMC with respect to the Minor Changes 2018 (2) (Ref: ERC0245) proposal. That notice was published in error.

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 107, the time for making the draft determination on the *Enhancement to the Reliability and Emergency Reserve Trader* (Ref. ERC0237) proposal has been extended to **31 January 2019**.

Under s 95, The Australian Energy Market Commission has requested the *Minor Changes 2* (Ref. ERC0245) proposal. The proposal seeks to correct minor errors and make non-material changes to the Rules. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **18 October 2018**. Submissions must be received by **1 November 2018**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
