

Notice under National Energy Retail Law

The Australian Energy Market Commission (AEMC) gives notice under the National Energy Retail Law as follows:

Under s 251, Mr Craig Whybrow has requested the *Bill contents – customers with interval meters* (Ref. RRC0026) proposal. The proposal seeks to require all retailers to include the start and end meter readings in the bills of customers with advanced interval meters. Submissions must be received by **28 February 2019**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
