15 Application of provisions of these Rules to market retail contracts

- (1) Other provisions of these Rules apply to market retail contracts, to the extent provided by those provisions.
- (2) If a rule provides that a provision of these Rules applies in relation to market retail contracts:

Note:

See section 34 (1) (a) of *the Law*.

- (b) the terms and conditions of the contract must not be inconsistent with the provision; and

- (e) the provision prevails to the extent of any inconsistency with any other term or condition of the contract.

Division 3 Customer retail contracts—pre-contractual procedures

16 Pre-contractual duty of retailers

- (1) This rule applies where a retailer is contacted by a small customer who is seeking to purchase energy for premises.
- (2) If the retailer is the designated retailer for the premises, the retailer:
 - (a) may elect to offer the customer a market retail contract; and
 - (b) must advise the customer of the availability of the retailer's standing offer, unless the customer is a small market offer customer.

Note:

Subrule (2) (b) is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (3) If the retailer is not the designated retailer for the premises and the retailer does not elect to offer the customer (whether at the request of the customer or of its own initiative) a market retail contract, the retailer:
 - (a) must refer the customer to the distributor for the premises concerned; and
 - (b) must inform the small customer that the distributor will be able to advise the customer which retailer has an obligation to make a standing offer that is applicable to the customer.

17 Pre-contractual duty of distributors

- (1) This rule applies where a distributor is contacted:
 - (a) directly; or
 - (b) on referral by a retailer,by a small customer for premises who is seeking customer retail services for the premises.

- (2) The distributor must advise the small customer which retailer has an obligation to make a standing offer to the customer, and, if the customer is a move-in customer or is seeking a new connection, also inform the customer that:
 - (a) requests for customer retail services must be made to a retailer; and
 - (b) the customer may be able to choose their retailer; and
 - (c) a list of retailers is available from the AER's website.

- (2) The request may be made by telephone or in writing.
- (3) The small customer must:
 - (a) provide the customer's name and *acceptable identification*; and
 - (b) provide contact details for billing purposes; and
 - (c) ensure that there is safe and unhindered access to the *meter* at the premises.
- (4) Compliance with subrule (3) is a pre-condition to the formation of a standard retail contract (as referred to in section 26 of *the Law*).
- (5) The designated retailer may include in the charges under the standard retail contract any outstanding amounts owed by the small customer to the retailer from an unpaid account (excluding unpaid amounts for premises for which the customer has an ongoing customer retail contract).
- (6) The designated retailer is not entitled to refuse to sell energy to a small customer who is a residential customer on the ground that the customer owes the retailer the outstanding amounts referred to in subrule (5).
- (7) Where:
 - (a) a retailer has arranged for the de-energisation of a small customer's premises (other than where the retailer has arranged for de-energisation due to failure to pay a bill under rule 111); and
 - (b) the customer has not within 10 business days of de-energisation rectified the matter that gave rise to the de-energisation,the retailer may decline to enter into a customer retail contract with the customer and to arrange for energisation of the premises until the matter that gave rise to the de-energisation has been rectified.

19 Responsibilities of designated retailer in response to request for sale of energy (SRC)

- (1) A designated retailer must, as soon as practicable, provide a small customer requesting the sale of energy under the retailer's standing offer with the following information:
 - (a) a description of the retailer's standard retail contract that is formed as a result of the customer accepting the standing offer and how copies of the contract may be obtained;
 - (b) a description of the retailer's and customer's respective rights and obligations concerning the sale of energy under *the Law* and these Rules, including the retailer's standard complaints and dispute resolution procedures;
 - (c) information about the availability of government funded energy charge rebate, concession or relief schemes;
 - (d) information in community languages about the availability of interpreter services for the languages concerned and telephone numbers for the services.

- (2) The retailer must, as soon as practicable (but not later than the end of the next business day) after the request for the sale of energy is properly made (as referred to in subrule (3)):
 - (a) if the premises are energised, forward relevant details of the customer to the distributor for the premises concerned, for the purpose of updating the distributor's records; or

Note:

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (b) if the premises are not energised, arrange for the energisation of the premises by the distributor or the *metering coordinator* (if permitted in accordance with energy laws).

Note:

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (3) A request for the sale of energy is properly made when:
 - (a) the request has been received by the retailer; and
 - (b) the small customer has complied with the requirements under rule 18 (3); and
 - (c) the small customer is otherwise entitled to receive the sale of energy in accordance with the standard retail contract.

Division 4 Customer retail contracts—billing

20 Basis for bills (SRC and MRC)

- (1) A retailer must base a small customer's bill for the customer's consumption of:
 - (a) electricity:
 - (i) on *metering data* provided for the relevant *meter* at the customer's premises provided by the *metering coordinator* and determined in accordance with the *metering rules*; or
 - (ii) on an estimation of the customer's consumption of energy, as provided by rule 21; or
 - (iii) on any other method agreed by the retailer and the small customer.
 - (b) gas:
 - (i) on an actual reading of the relevant *meter* at the customer's premises provided by the *responsible person* and determined in accordance with the *metering rules*; or
 - (ii) on *metering data* provided for the relevant *meter* at the customer's premises provided by the *responsible person* and determined in accordance with the *metering rules*; or
 - (iii) on an estimation of the customer's consumption of energy, as provided by rule 21; or
 - (iv) on any other method agreed by the retailer and the small customer.
- (2) The retailer must use its best endeavours to ensure that actual readings of the *meter* are carried out as frequently as is required to prepare its bills consistently with the *metering rules* and in any event at least once every 12 months.
- (3) Despite subrules (1) and (2), if there is no *meter* in respect of the customer's premises, the retailer must base the customer's bill on energy data that is calculated in accordance with applicable energy laws.
- (4) **Application of this rule to standard retail contracts**
This rule applies in relation to standard retail contracts.
- (5) **Application of this rule to market retail contracts**
This rule applies in relation to market retail contracts.

21 Estimation as basis for bills (SRC and MRC)

- (1) A retailer may only base a small customer's bill on an estimation of the customer's consumption of energy where:
 - (a) the customer consents to the use of estimation by the retailer; or
 - (b) the retailer is not able to reasonably or reliably base the bill on an actual *meter* reading; or

- (c) *metering data* is not provided to the retailer by the *responsible person* or *metering coordinator* (as applicable).

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (2) Where estimations are permitted to be used as the basis for a small customer's bill, the estimations must be based on:
 - (a) the customer's reading of the relevant *meter* (which may be a customer read estimate, as defined in subrule (3A)); or
 - (b) historical *metering data* for the customer reasonably available to the retailer; or
 - (c) the average usage of energy by a comparable customer over the corresponding period, if there is no historical *metering data* for the customer.

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (3) The retailer must inform the small customer, on the bill, that the bill is based on an estimation, and (if applicable) that the estimation is based on the customer's reading of the relevant *meter* under subrule (2)(a).

(3A) If:

- (a) a small customer receives a bill based on an estimate, other than a customer's reading of the relevant *meter*; and
- (b) where the bill under paragraph (a) is for the supply of electricity, the consumption of electricity at the customer's premises is not recorded by an interval *meter*, being a *meter* that records consumption derived from interval *metering data*,

the small customer may request an adjusted bill based on the customer's reading of the relevant *meter* (a **customer read estimate**) by providing the retailer with the customer read estimate before the due date for payment of the bill under paragraph (a).

- (3B) On each occasion when the conditions in subrules (3A)(a) and, as applicable, (b) are met, the retailer must inform the small customer in writing:
 - (a) that the customer may request an adjusted bill in accordance with subrule (3A); and
 - (b) of any changes to the customer's payment obligations if the customer makes such a request; and
 - (c) how the customer can obtain the information under subrule (3C).

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (3C) A retailer must make available to small customers at no charge and in clear, simple and concise language for the purposes of subrule (3A):
- (a) guidance on how to read the customer's *meter*; and
 - (b) the types of information the customer is required to provide when lodging the customer read estimate; and
 - (c) instructions on the methods by which the customer can lodge the customer read estimate.

(3D) Where:

- (a) a small customer requests an adjustment to a bill based on an estimate in the circumstances set out in subrule (3A) by providing the retailer with a customer read estimate; and
- (b) the retailer receives the customer read estimate before the due date for payment of the bill; and
- (c) the customer read estimate is provided in accordance with the guidance and requirements provided by the retailer under subrule (3C),

the retailer must, promptly and at no extra charge, provide the small customer with an adjusted bill based on the customer read estimate.

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

(3E) If:

- (a) the customer read estimate was received on or after the due date for payment of the bill; or
- (b) the customer read estimate is not provided in accordance with the guidance and requirements provided by the retailer under subrule (3C),

the retailer may reject the customer read estimate and, if it does so, must promptly notify the small customer in writing of the specific reasons for its decision.

Note:

For example, specific reasons that a retailer might provide for rejecting a customer read estimate for the purposes of subrule (3E)(b) include:

- the number value of the customer read estimate provided for cumulative energy consumed is smaller than a previous actual read of the *meter*; or
- where the customer read estimate is provided in the form of a photograph of the *meter*, that the *meter* display is not clearly visible or the photograph does not show the correct *meter* installed at the small customer's premises.

(3F) The retailer must set out a process under its standard complaints and dispute resolution procedures for a small customer to attempt to rectify a customer read estimate that is not accepted under subrule (3E)(b).

(3G) If the retailer does not accept the customer read estimate under subrule (3E), the retailer must inform the small customer in the same notice required to be provided under that subrule, that the customer may:

- (a) lodge a dispute with the energy ombudsman where the customer is not satisfied with the retailer's decision after the customer has followed the process under subrule (3F); and
- (b) separately, request the retailer to review the bill under rule 29.

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (3H) If under subrule (3B)(b) a retailer has advised a small customer of changes to the customer's payment obligations, and those changes include a new date for payment of the customer's bill, any benefits provided under the retailer's contract with the customer for payments made by the due date must be applied with respect to the new date for payment.
- (4) Without affecting rule 20 (2), if the retailer has issued the small customer with a bill based on an estimation and the retailer subsequently issues the customer with a bill that is based on an actual *meter* reading or on *metering data*:
 - (a) the retailer must include an adjustment on the later bill to take account of any overcharging of the customer that has occurred; and
 - (b) unless the actual *meter* reading or *metering data* could not be obtained as a result of an act or omission by the customer, the retailer must, if requested to do so by the customer, offer the customer time to pay any undercharged amount by agreed instalments, over a period being no longer than:
 - (i) the period during which an actual *meter* reading or *metering data* was not obtained, where that period is less than 12 months; or
 - (ii) in any other case, 12 months.

Note:

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (5) Where an attempt to read the small customer's *meter* is unsuccessful due to an act or omission of the customer, and the customer subsequently requests a retailer to replace an estimated bill with a bill based on an actual *meter* reading, the retailer must comply with that request but may pass through to that small customer any costs it incurs in doing so.

(6) Application of this rule to standard retail contracts

This rule applies in relation to standard retail contracts.

(7) Application of this rule to market retail contracts

This rule applies in relation to market retail contracts (other than prepayment *meter* market retail contracts), but only to the extent (if any) a contract provides for estimation as the basis for the small customer's bill.

22 Proportionate billing (SRC and MRC)

- (1) If a small customer's bill covers a period other than the customer's usual billing cycle or a period during which the customer's tariff changes, the retailer must charge in proportion to the relevant periods and clearly show relevant details on the bill.
- (2) **Application of this rule to standard retail contracts**
This rule applies in relation to standard retail contracts.
- (3) **Application of this rule to market retail contracts**
This rule applies in relation to market retail contracts.

23 Bill smoothing (SRC)

- (1) Despite rules 20 and 21, a retailer may, in respect of any 12 month period, provide a small customer with bills based on an estimation under a bill smoothing arrangement if and only if:
 - (a) the amount payable under each bill is initially the same and is set on the basis of the retailer's initial estimate of the amount of energy the customer will consume over the 12 month period; and
 - (b) that initial estimate is based on the customer's historical billing data or, where the retailer does not have that data, average usage of energy by a comparable customer calculated over the 12 month period; and
 - (c) in the seventh month:
 - (i) the retailer re-estimates the amount of energy the customer will consume over the 12 month period, taking into account any actual *meter* readings or actual *metering data* and relevant seasonal factors; and
 - (ii) if there is a difference between the initial estimate and the re-estimate of greater than 10 per cent, the amount payable under each of the remaining bills in the 12 month period is to be reset to reflect that difference; and
 - (d) at the end of the 12 month period, the *meter* is read or *metering data* is obtained and any undercharging or overcharging is adjusted under rule 30 or 31.
- (2) The explicit informed consent of the small customer is required for the retailer's billing on the basis referred to in subrule (1).
- (3) **Application of this rule to standard retail contracts**
This rule applies in relation to standard retail contracts.
- (4) **Application of this rule to market retail contracts**
This rule does not apply in relation to market retail contracts, but this subrule does not prevent a retailer from including bill smoothing arrangements in a market retail contract.

24 Frequency of bills (SRC)

- (1) A retailer must issue bills to a small customer at least once every 100 days.

Note:

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

 - (b) in relation to the issue of a final bill:
 - (i) the customer vacates the premises; or
 - (ii) the customer requests de-energisation of the premises; or

45A Definitions

In this Division:

benefit change means:

energy rate means any tariff or charge that is a component of the market offer prices under a market retail contract, or of the standing offer prices under a standard retail contract, but in each case excluding charges that are fees (including penalties).

Note 1:

Energy rates relate to the period or amount of energy consumption, such as daily charges and kilowatt hour charges.

Note 2:

Examples of fees for the purposes of this definition are account establishment fees, special meter read fees, new meter fees, credit card payment fees, late fees, and early termination fees.

excluded change means a change to the tariffs, charges or benefits to a small customer under a market retail contract that is specified not to be a benefit change under the benefit change notice guidelines.

fixed term retail contract means a market retail contract that contains a term or condition that specifies:

- (a) the date on which the contract will end; or

relevant benefit period means, in respect of a benefit change notice, the period in which the benefit that is changing was provided to a customer under a market retail contract.

46 Tariffs and charges

- (1) This rule sets out some minimum requirements that are to apply in relation to the terms and conditions of market retail contracts (other than a prepayment *meter* market retail contract).

- (2) A retailer must set out in a market retail contract with a small customer all tariffs and charges payable by the customer.
- (3) The retailer must give notice to the customer of any variation to the tariffs and charges that affects the customer.
- (4) The notice must:
 - (a) be given at least five business days before the variation in the tariffs and charges are to apply to the customer; and

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (4A) The notice must:
 - (a) specify that the customer's tariffs and charges are being varied;
 - (b) specify the date on which the variation will come into effect;

 - (f) specify that the customer can request historical billing data and, if they are being sold electricity, energy consumption data, from the retailer.

Note:

Rules 28 and 56A make provision for customers to request historical billing information and energy consumption data.

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (4B) Despite this rule 46, a retailer is not required to provide a notice under subrule (3):
 - (a) where the customer has entered into a market retail contract with the retailer within 10 business days before the date on which the variation referred to in subrule (3) is to take effect, and the retailer has informed the customer of such variation pursuant to rule 46A and section 39(1)(a) of *the Law*;
 - (b) where the variations to the tariffs and charges are a direct result of a benefit change and the retailer has provided the customer with a notice under rule 48A;
 - (c) with respect to a tariff or charge that continually varies in relation to the prevailing spot price of energy. For the avoidance of doubt, this exemption does not apply (and the retailer must provide notice under subrule (3)) with respect to variations to any remaining tariffs and charges that form part of the same market retail contract;

- (d) where the variations to the tariffs and charges are a direct result of a change to, or withdrawal or expiry of, a government funded energy charge rebate, concession or relief scheme; or
 - (e) where the variations to the tariffs and charges are a direct result of a change to any bank charges or fees, credit card charges or fees, or payment processing charges or fees applicable to the customer.
- (4C) Despite subrule (4)(a), a retailer must provide the notice under subrule (3) as soon as practicable, and in any event no later than the customer's next bill, where the variations to the tariffs and charges are a direct result of a tariff reassignment by the distributor pursuant to clause 6B.A3.2 of the NER. For the purposes of providing a notice under this subrule (4C), the reference to:
- (a) "are being varied" in subrule (4A)(a) is taken to be "are being varied or have been varied (whichever is applicable)"; and
 - (b) "will come into effect" in subrule (4A)(b) is taken to be "will come into effect or has come into effect (whichever is applicable)".
- (5) The retailer must set out in the market retail contract the obligations with regard to notice that the retailer must comply with where the tariffs and charges are to be varied.

- (1) This rule has effect for the purposes of section 39(1)(a) of *the Law*.
- (2) For the purposes of the transaction described in section 38(b) of *the Law*, matters relevant to the consent of the customer will include, without limitation, any term or condition in the market retail contract that provides for the variation of tariffs, charges or benefits to the customer under that contract.

46B Energy rates – discounting practices

- (1) A retailer must not include any term or condition in a market retail contract (other than a *dual fuel market contract*) with a small customer that applies a price discount to an energy rate under the contract if, on the date the small customer enters into the contract:
 - (a) there is an equivalent standing offer, as defined in subrule (3);
 - (b) without taking into account any price discounts, at least one energy rate under the market retail contract exceeds the equivalent component of the energy rate under the equivalent standing offer;
 - (c) without taking into account any price discounts, no energy rate under the market retail contract is lower than the equivalent component of the energy rate under the equivalent standing offer; and
 - (d) the level or rate of every energy payment under the market retail contract (if any) is equal to or lower than the level or rate of the equivalent energy payment under the equivalent standing offer.

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (2) A retailer must not include any term or condition in a *dual fuel market contract* with a small customer that applies a price discount to an energy rate under the contract if, on the date the small customer enters into the contract:
 - (a) there is an equivalent standing offer in either of the following forms:
 - (i) a dual fuel standing offer, if the conditions for equivalence specified in subrule (3) are met in relation to that standing offer; or
 - (ii) a standing offer for electricity and a standing offer for gas, if the conditions for equivalence specified in subrule (3) are met in relation to both of those standing offers;
 - (b) without taking into account any price discounts, at least one energy rate in respect of the supply of either electricity or gas under the *dual fuel market contract* exceeds the equivalent component of the energy rate under the equivalent standing offer;
 - (c) without taking into account any price discounts, no energy rate in respect of the supply of either electricity or gas under the *dual fuel market contract* is lower than the equivalent component of the energy rate under the equivalent standing offer; and
 - (d) the level or rate of every energy payment under the *dual fuel market contract* (if any) is equal to or lower than the level or rate of the equivalent energy payment under the equivalent standing offer.

Note:

This subrule is a civil penalty provision for the purposes of the Law. (See the National Regulations, clause 6 and Schedule 1.)

- (3) For the purposes of subrules (1) and (2), a standing offer is an equivalent standing offer with respect to a market retail contract, including a *dual fuel market contract*, if the following conditions are satisfied:
 - (a) the retailer making the standing offer is the retailer providing the market retail contract, or is a related body corporate (within the meaning of the *Corporations Act 2001* of the Commonwealth) of that retailer;
 - (b) the standing offer and the market retail contract would be available to the same small customer, if the retailer was the designated retailer for the small customer's premises;
 - (c) in relation to energy rates and energy payments, without taking into account any price discounts, there are no material differences between the tariff structure of the standing offer and the tariff structure of the market retail contract, subject to subrule (4); and
 - (d) without taking into account any price discounts, the market retail contract provides no material additional benefit or service to the customer compared to the standing offer.

- (4) For the purposes of subrule (3)(c), there is a material difference between the tariff structure of a standing offer and the tariff structure of a market retail contract if:
 - (a) the standing offer is a dual fuel standing offer and the market retail contract is not a *dual fuel market contract*; or
 - (b) the market retail contract contains provisions that prevent the retailer varying any of the energy rates or energy payments under the market retail contract for a period of at least 12 months from the date of entry into the market retail contract.

(1) Right of withdrawal

A small customer who enters into a market retail contract with a retailer has the right to withdraw from the contract in accordance with this rule.

The right of withdrawal may be exercised even though the small customer agreed to or accepted the contract.

(4) How right of withdrawal may be exercised

The small customer withdraws from the contract by informing the retailer orally or in writing of the customer's intention to withdraw from the contract.

 - (a) all applicable prices, charges and benefits to the customer (to the extent both are not otherwise part of prices), early termination payments and penalties, *security deposits*, service levels, concessions or rebates, billing and payment

- arrangements and how any of these matters may be changed (including, where relevant, when changes to prices will be notified by the retailer to the customer);
- (b) the commencement date and duration of the contract, the availability of extensions, and the termination of the contract if the customer moves out during the term of the contract;

 - (d) the rights that a customer has to withdraw from the contract during the *cooling off period*, including how to exercise those rights;
 - (e) the customer's right to complain to the retailer in respect of any energy marketing activity of the retail marketer conducted on behalf of the retailer and, if the complaint is not satisfactorily resolved by the retailer, of the customer's right to complain to the energy ombudsman.

Subdivision 3 Energy marketing activities

65 No contact lists

- (1) This rule applies to energy marketing in person at a person's premises or marketing by mail, but does not apply to *telemarketing calls* or *e-marketing activities*.
- (2) A retailer must ensure that a "no contact list" is created and maintained for its retail marketers, whether by the retailer itself or by a person or organisation on behalf of the retailer.
- (3) A "no contact list" is a list of small customers who indicate they wish to be placed on the list.
- (4) A small customer may give such an indication by applying (in person, electronically, by telephone or in writing) to the retailer or by communicating directly with a retail marketer.
- (5) A retail marketer must not make contact with a small customer whose name is on the relevant no contact list.
- (6) An entry for a particular small customer in a no contact list continues for a period of 2 years, but the period is refreshed each time the customer requests inclusion or maintenance of inclusion.
- (7) A retailer must publish a statement on its website about the existence of its no contact list and the procedures for being placed on the list.

66 No canvassing or advertising signs

In carrying out energy marketing activities a retail marketer must comply with any signs at a person's premises indicating:

- (a) canvassing is not permitted at the premises; or
- (b) no advertising or similar material is to be left at the premises or in a letterbox or other receptacle at or associated with the premises.

67 Duty of retailer to ensure compliance

A retailer must ensure that a retail marketer who is an associate of the retailer complies with this Subdivision.

68 Record keeping

- (1) A retailer must ensure that records are kept of all energy marketing activities carried out by it or on its behalf by retail marketers, including details of energy marketing visits that have been conducted, and telephone energy marketing calls that have been placed.
- (2) The retailer must ensure that each such record is retained:
 - (a) for the period of 12 months; or
 - (b) where a small customer has within that period made a complaint or referred a dispute to the energy ombudsman in relation to energy marketing activities—for the period the complaint or dispute remains unresolved, whichever is the longer period.
- (3) A retailer must ensure that it and appropriate officers or employees of the retailer, have immediate access, or a right of immediate access, to each such record.

Division 11 Miscellaneous

69 Compliance by small customer who is not owner of premises

If a small customer is unable to fulfill an obligation in respect of:

- (a) premises (including, but not limited to, access to premises) under a customer retail contract; or
- (b) access to premises under these Rules,

because the customer is not the owner of the premises, the customer is not in breach of the contract or the Rules if the customer takes all reasonable steps to ensure that the owner or other person responsible for the premises fulfils the obligation.

70 Termination of standard retail contract (SRC)

- (1) A standard retail contract terminates:
 - (a) subject to subrule (3), in a case where the small customer:

- (i) gives the retailer a notice (a **termination notice**) stating that the customer wishes to terminate the contract (even if the customer has vacated the premises earlier); or
 - (ii) is reclassified under the Rules as a large customer, on a date advised by the retailer (which must be at least 5 but not more than 20 business days from the giving of a termination notice or a reclassification); or
 - (b) on a date agreed between the retailer and the small customer; or
 - (c) when the small customer starts receiving customer retail services for the premises under a different customer retail contract with the retailer or a different retailer; or
 - (d) when a different customer starts receiving customer retail services for the premises under a customer retail contract with the retailer or a different retailer; or
 - (e) at the end of the period of 10 business days commencing on the day the small customer's premises are de-energised, if there is no contractual right to re-energisation,
- whichever first occurs.
- (1A) for the avoidance of doubt, where a new customer retail contract is made void by section 41(1) of *the Law* the small customer is taken never to have received customer retail services under a different customer retail contract for the purposes of subrule (1)(c).
- (2) Where a small customer gives a termination notice and notifies the retailer of a date on which the small customer intends to vacate the premises, the retailer must:
- (a) use its best endeavours to ensure that the relevant *meters* are read at, or the relevant *metering data* is obtained for, the premises on the date and at the time agreed with the small customer (or as soon as possible after that date if the small customer has not provided access to the relevant *meters* on that date or at that time); and
 - (b) prepare and send to the small customer at the forwarding address provided by the small customer a final bill based on the relevant *meter* reading or *metering data*.
- (3) If the small customer gives a termination notice, or is reclassified under the Rules as a large customer, but does not give safe access to the premises to conduct a final *meter* reading (where relevant), the standard retail contract does not terminate under subrule (1) (a) until the date the retailer issues a final bill and the customer has paid any outstanding balance.
- (4) A retailer must not impose a termination charge (however described) under a standard retail contract in respect of the termination of the contract.

Note:

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (5) Termination of a standard retail contract does not affect any rights or obligations that have already accrued under the contract.
- (6) Where there is an existing standard retail contract between a retailer and a small customer who is reclassified under the Rules as a large customer, the retailer is no longer obliged to make a standing offer to the customer.
- (7) This rule has effect subject to section 141 of *the Law*.
- (8) **Application of this rule to standard retail contracts**
This rule applies in relation to standard retail contracts.
- (9) **Application of this rule to market retail contracts**
This rule does not apply in relation to market retail contracts.
