

Part 15 Pipeline register

133 Establishment and maintenance of register

- (1) The AEMC must establish and maintain a register (the **pipeline register**).
- (2) The pipeline register is a register of all pipelines that are, or have been, subject to any form of regulation or exemption from regulation under the *Law* or the old scheme.
- (3) The pipeline register is to include for each pipeline:
 - (a) a description of the pipeline (including, in the case of a covered pipeline, historical information about extensions and capacity expansions occurring while the pipeline was covered);
 - (b) the pipeline's classification and regulatory history under the *Law* and the old scheme; and
 - (c) the name of the pipeline service provider.
- (4) The pipeline register is to include the text of current and former:
 - (a) greenfields pipeline incentives; and
 - (b) *tender approval decisions*; and
 - (c) coverage determinations; and
 - (d) coverage revocation determinations; and
 - (e) light regulation determinations; and
 - (f) applicable access arrangements; and
 - (g) access determinations (as defined in Part 1 of the *NGL*) and access determinations (as defined in Part 6A of the *NGL*); and
 - (h) exemption decisions made under Division 6 of Part 23 of the *Rules*.

134 Notification of extension or capacity expansion or new pipeline

- (1) When the description of a scheme pipeline or non-scheme pipeline is affected by an extension or capacity expansion, the service provider must give the AEMC a revised description of the pipeline, incorporating the extension or expansion, for inclusion in the register.
- (2) The service provider of a new pipeline must give the AEMC the information under rule 133(3) within one month of the pipeline being commissioned for inclusion in the register.

134A Provision of information

- (1) The AEMC may, by notice on its website, specify the form and manner in which information for inclusion in the pipeline register maintained under this Part 15 must be provided to the AEMC.

- (2) A service provider must provide information to the AEMC for the pipeline register in the form and manner required by the AEMC and published under subrule (1).

135 Public availability of the register

The pipeline register must be accessible on the AEMC's website.
