Dear Mr Walsh

Re: Part 23 exemption – DLNG to PWC Pipeline

I refer to your application dated 29 July 2019 for an exemption under Part 23 of the National Gas Rules (NGR) for DLNG to PWC Pipeline.

The AER has assessed the application and supporting information and has determined:

To grant DLNG to PWC Pipeline a Category 3 exemption.

The exemption expires on 1 March 2024.

ConocoPhillips is exempt from the obligation to publish service usage information, service availability information, standing terms, financial information and weighted average price information under Division 2 of Part 23 with respect to DLNG to PWC Pipeline.

As set out in Rule 585(8) please notify the AER without delay if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 585 requires the AER to establish, publish and maintain a register of exemptions. Your application dated 29 July 2019, excluding items subject to confidentiality claims, will be published in the register.

Please do not hesitate to contact Mr Sebastian Roberts if we can be of further assistance (sebastian.roberts@aer.gov.au, 03 9290 1895).

Yours sincerely
