

Notice under National Electricity Law

Notice of Initiation - non-controversial rule

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Australian Energy Market Operator has requested the *Implementing Integrated Energy Storage Systems* (Ref. ERC0351) proposal. The proposal seeks to make a number of amendments related to the implementation of the Integrating Energy Storage Systems into the NEM rule. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so.

Written requests not to expedite the proposal must be received by **16 March 2023**. These requests should be sent to submissions@aemc.gov.au and cite ERC0351 in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Submissions on the proposal must be received by **30 March 2023**. Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#).

The AEMC publishes all requests and submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
