Dear Mr Wheals

Re: Part 23 exemption - Cannington Lateral

I refer to your application dated 3 May 2018 for an exemption under Part 23 of the National Gas Rules (NGR) for the Cannington Lateral.

The AER has assessed the application and supporting information and has determined to grant exemption under Category 3, the exemption to expire five years from the date of this letter.

As required by NGR rules 585(8), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 585 requires the AER to maintain a public register of Part 23 exemptions. Fields marked with a (*) in your application of 3 May 2018 will be published on the register along with this response.

Please contact me (sebastian.roberts@er.gov.au, 03 9290 1895) if we can assist further.

Yours sincerely
