**Subject:** ERC 0346 - Unlocking CER benefits through flexible trading

Hi Lisa,

It gives us great pleasure to confirm that the IPWEA Submission on Minor Energy Flow Metering ERC 0346 has our organisation's full support, as expressed by Sunshine Coast Council.

We are optimistic about the outcome of this project and hope that it will be successful.

We are aware that we missed the initial deadline of **September 14th** for submission. We kindly ask for your understanding and acceptance of our late submission.

I trust the above information would be useful, however, if you need any further information or clarification, please feel free to contact me.

Kind Regards,
