

# Notice under National Electricity Law

## *Notice of Initiation*

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Australian Energy Market Operator has requested the *Clarifying mandatory primary frequency response obligations for bi-directional plant* (Ref. ERC0364) proposal. The proposal seeks to clarify the mandatory primary frequency response obligations of scheduled bidirectional units. Submissions must be received by **31 August 2023**.

Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
