

Extension of time

Ref. CRP0140

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Rules (NER) as follows:

Under clause 3.14.6(t) of the NER, the time for the AEMC to publish the final decision on the methodology it will use in determining the claimant's opportunity costs, whether compensation should be paid by AEMO in relation to the claim and if so, the amount of compensation that should be paid under clause 3.14.6(q) of the NER on the Snowy Hydro Limited compensation claim (Ref CRP0140) has been extended to 21 December 2023.
