

Notice under National Electricity Law

Notice of Initiation

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Reliability Panel has requested the *Rescheduling the generator compliance programs review* (Ref. ERC0401) proposal. The proposal seeks to delay the commencement of the upcoming template for generator compliance programs review by 12 months. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **18 October 2024**. Submissions must be received by **1 November 2024**.

Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
