

Notice under National Gas Law

Notice of initiation of request
Notice of extension of draft determination
Notice of extension of final determination

The Australian Energy Market Commission (AEMC) gives notice under the National Gas Law as follows:

Under s 303, the Chair of the Energy Senior Officials Group and Hon Lily D'Ambrosio MP, Minister for Climate Action, Minister for Energy & Resources and Minister for the State Electricity Commission has requested the *ECGS Reliability standard and associated settings* (Ref. GRC0076) proposal. The proposal seeks to establish a reliability standard and related mechanisms to support more efficient responses to reliability and supply adequacy threats in the ECGS. Submissions must be received by **17 April 2025**.

Under s 317, the time for making the draft determination on the *ECGS Reliability standard and associated settings* (Ref. GRC0076) proposal has been extended to **29 January 2026**.

Under s 317, the time for the making of the final determination on the *ECGS Reliability standard and associated settings* (Ref. GRC0076) proposal has been extended to **25 June 2026**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
