

Submission Type: Rule Change

Reference: Establishing a regulatory framework for retail customer initiated gas abolishment (Retail)

Organisation: homeowner in south Australia

First Name: [REDACTED]

Last Name: [REDACTED]

Comments: I do not believe customers should pay to disconnect from Gas. We have paid for gas for years, the retailers have made profits, we have paid for the connection. I have capped off my gas and will leave it like that forever before applying for an abolishment. I have paid my last dollar to the oil and gas industry and will not give them another cent.
