

Notice under National Electricity Law

Notice of initiation of non-controversial rule change request

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, AEMO has requested the *Refining the eligibility requirements for Secondary Settlement Points* (Ref. ERC0413) proposal. The proposal seeks to allow Victorian Advanced Metering Infrastructure installations to also establish secondary settlement points, and other minor amendments. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **12 March 2026**. Submissions must be received by **26 March 2026**.

Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes submissions on its website, subject to confidentiality and other considerations.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
