

Notice under National Electricity Law

Notice of final rule

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s93 the AEMC consolidated these three Rule requests into one consolidated Rule request:

- ERC0414: Flexible communication requirements for SAPS generation connection points;
- ERC0413: Refining the eligibility requirements for Secondary Settlement Points; and
- ERC0409: Consultation requirements for the Metrology Procedures.

The name of the consolidated Rule request is *Improving metering and metrology arrangements*.

Under ss 102, 102A and 103, the making of the *National Electricity Amendment (Improving metering and metrology arrangements) Rule 2026 No. 2* (Ref. ERC0414) and related final determination. All provisions commence on **30 April 2026**.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
