

Notice under National Electricity Law

Notice of initiation

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Commonwealth Government Department of Climate Change, Energy, the Environment and Water has requested the *Facilitating electric vehicle charging infrastructure under Commonwealth grants* (Ref. ERC0436) proposal. The proposal seeks to make changes to the National Electricity Rules to facilitate the roll out of a Government funded Accelerating EV Charging Program. Submissions must be received by **25 June 2026**.

Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes submissions on its website, subject to confidentiality and other considerations.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
