

Notice under National Electricity Law

Notice of initiation Notice of extension of draft determination

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Clean Energy Council has requested the *Minimum System Load reserve service* (Ref. ERC0417) proposal. The proposal seeks to introduce a new MSL market ancillary service to provide dispatchable reserves for use by AEMO to increase demand as required during forecast MSL periods. Submissions must be received by **20 August 2026**.

Under s 107, the time for making the draft determination on the *Minimum System Load reserve service* (Ref. ERC0417) proposal has been extended to **3 December 2026**.

Submissions can be made via the [AEMC's website](#). Before making a submission, please review the AEMC's [privacy statement](#) on its website, and consider the AEMC's [Tips for making a submission](#). The AEMC publishes submissions on its website, subject to confidentiality and other considerations.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
