

## Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 43(1), the AEMC gives notice that it has commenced the *Review of National Frameworks for Electricity Network Reliability* directed by the Ministerial Council on Energy (Project ref:EPR0028 and EPR0033).

Under section 95, Trans Tasman Energy Group has requested the *Changes to Cost Allocation* Rule proposal (Project Ref. ERC0150). The proposal seeks to increase transparency and stakeholder engagement in relation to the cost allocation method for distribution businesses. Submissions must be received by **14 March 2013**.

Submissions can be lodged online via the AEMC's website at [www.aemc.gov.au](http://www.aemc.gov.au). Before lodging your submission, you must review the AEMC's privacy statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
