

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 102, the making of the final determination on the *Potential Generator Market Power in the NEM* Rule proposal.

Under section 95, the National Generators Forum has requested the *Publication of Zone Substation Data* Rule proposal (Project Ref. ERC0156). The proposal seeks to impose a new requirement on distribution network service providers to annually publish historical electricity load data at the zone substation level. Submissions must be received by **24 May 2013**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality.

Further details and all documents on the above matters are available on the AEMC's website www.aemc.gov.au. The relevant documents are also available for inspection at the offices of the AEMC.
