

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, Western Power has requested the *Alternatives to grid-supplied network services* (Ref. ERC0215) proposal. The proposal seeks to change the definition of "distribution service" in the National Electricity Rules so that it may include (among other things) off-grid supply provided in certain circumstances. Submissions must be received by **18 July 2017**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
