

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matter.

Under section 95, International Power-GDF Suez Australia and Loy Yang Marketing Management Company have requested the *Negative offers from scheduled network service providers* Rule proposal (Project Ref. ERC0140). The proposal seeks to establish a price floor of zero for network dispatch offers from scheduled network service providers. Submissions must be received by **3 May 2012**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality.

All documents in relation to the above matter are published on the AEMC's website and are available for inspection at the offices of the AEMC.
