Dear Mr Woodward,

2008 VoLL Review

The Energy Retailers Association of Australia (the Association) welcomes the opportunity to provide comments on the 2008 VoLL Review.

The Association notes the recommendation made during the Comprehensive Reliability Review of increasing of VoLL to \$12,500 as of 1 July 2010. While ERAA members have a range of views on the outcome of the CRR, in the interests of regulatory certainty the ERAA supports the Panel's decision not to perform a further formal reliability settings review in 2008.

Should you require any further information in relation to this matter please feel free to contact me on (02) 9437 6180.

Yours sincerely
