

## Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, AEMO has requested the *Embedded Networks* proposal (Ref. ERC0179). The proposal seeks to clarify the regulatory arrangements for embedded networks and provide embedded network customers access to retail competition. Submissions must be received by **2 July 2015**.

Under s 95, ERM Power has requested the *Meter Replacement Processes* proposal (Ref. ERC0182). The proposal seeks to clarify the rights and obligations of certain parties at a connection point when the meter is being changed. Submissions must be received by **2 July 2015**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
