

Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matters:

Under Section 107, the time period has been extended for the making of the draft determination for the proposed National Electricity Amendment (Region Boundaries) Rule 2006 to **30 November 2006**.

Under Section 95, NEMMCO has requested a Rule relating to the technical standards for non-scheduled generation and the framework for negotiating access by new generators. A copy of the Rule proposal and the proposed National Electricity Amendment (Technical Standards for Wind Generation) Rule 2006 are published on AEMC's website and are available for inspection at AEMC. Upon receipt AEMC publishes all submissions on its website, subject to consideration of any claim of confidentiality. Submissions should be forwarded to submissions@aemc.gov.au and must be received no later than **23 June 2006**.

Further details on all of the above matters are available on AEMC's website www.aemc.gov.au
