

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, AEMC has requested the *Minor Rule Change 2017* proposal (Ref. ERC0217). The proposal seeks to correct minor errors and make non-material changes to the Rules. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **23 March 2017**. Submissions must be received by **6 April 2017**.

Under s 107 the time for the making of the final determination on the *Transmission Connection and Planning Arrangements* (Ref. ERC0192) proposal has been extended to **23 May 2017**.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website. Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.
