

## Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matters.

Under Section 102 and 103, the making of the National Electricity Amendment (Reform of Regulatory Test Principles) Rule 2006 No. 19 and the corresponding final determination. All provisions commence on **30 November 2006**.

Under Section 95 and 96, Origin Energy has requested the making of the proposed National Electricity Amendment (Origin Energy Participant Derogation – Technical Standards for Mt Stuart Power Station) Rule 2006. The proposal relates to alternative technical requirements for the purpose of registration as a Generator.

The AEMC intends to expedite the making of the proposed Rule, subject to any objections (with written reasons) and:

- submissions must be received by **29 December 2006**; and
- objections must be received by **14 December 2006**.

The AEMC publishes all submissions received on its website subject to a claim of confidentiality.

Further details on the above matters are available on AEMC's website [www.aemc.gov.au](http://www.aemc.gov.au).
