

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107, the period of time for the making of the final determination on the *Potential Generator Market Power in the NEM* Rule proposal has been extended to **26 April 2013**.

Under section 95, SP AusNet* has requested the *Recovery of Network Support Payments* Rule proposal (Project Ref. ERC0154). The proposal seeks recovery of network support arrangements that defer distribution network augmentation and transmission connection assets via specific network support pass throughs. Submissions must be received by **10 May 2013**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submissions, you must review the AEMC's privacy statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC. Further details and all documents on the above matters are available on the AEMC's website www.aemc.gov.au. The relevant documents are also available for inspection at the offices of the AEMC.
