

# Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, Snowy Hydro has requested the *Compliance with dispatch instructions* proposal (Ref. ERC0187). The proposal seeks to amend the current arrangements for compliance with dispatch instructions. Submissions must be received by **15 October 2015**.

Under s 95, COAG Energy Council has requested the *Common definitions of distribution reliability measures* proposal (Ref. ERC0190). The proposal seeks to give the AER responsibility for producing and updating a guideline of common definitions of distribution reliability measures. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **1 October 2015**. Submissions must be received by **15 October 2015**.

Under s 99 and s 102A, the making of a second draft determination and related second draft rule on the *Bidding in Good Faith* proposal (Ref. ERC0166). Written requests for a pre-determination hearing must be received by **24 September 2015**. Submissions must be received by **29 October 2015**.

Under s 102, the making of the final determination on the *Aligning network and retail tariff structures for small customers* proposal.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au) and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
