Dear Dr Tamblyn

**Proposed National Electricity Amendment (Timing of System Restart Ancillary Services Testing) Rule 2007.**

Thank you for the opportunity to comment on a specific issue raised during consultation on this rule change proposal. CitiPower and Powercor Australia are Victorian electricity distributors who are registered with NEMMCO as Network Service Providers under clause 2.5 of the National Electricity Rules (NER)

CitiPower and Powercor agree that modifying clause 3.11.5(f)(2) to replace the undefined term "excluded services" with the defined term "negotiable services" is appropriate and provides greater clarity and consistency.

Should you require further information in relation to this submission, please do not hesitate to contact me on (03) 9683 4282

Yours sincerely
