

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 95, ClimateWorks Australia, Seed Advisory and the Property Council of Australia have requested the *Connecting Embedded Generators* Rule proposal (Project Ref. ERC0147). The proposal seeks to improve the efficiency of the connection process and amend the arrangements for allocating costs to embedded generators. Submissions must be received by **9 August 2012**.

Under section 99, the making of a draft determination and draft *National Electricity Amendment (Distribution Network Planning and Expansion Framework) Rule 2012* (Project Ref. ERC0131). In relation to the draft determination, requests for a pre-determination hearing must be received by **21 June 2012**. Submissions must be received by **9 August 2012** and requests for a hearing should be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in its title.

Under sections 102 and 103, the making of the *National Electricity Amendment (Minor Changes) Rule 2012 No. 3* and related final determination. Schedule 1 of the Rule to commence operation on **26 July 2012** and Schedule 2 of the Rule will commence on **1 July 2016**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
