### **Division 1 Standard retail contracts—terms and conditions generally**

#### **12 Model terms and conditions for standard retail contracts**

- (1) Model terms and conditions for a standard retail contract are set out in Schedule 1.
- (2) A statement in Schedule 1 that is underlined and in square brackets indicates that a required alteration must be made by omitting the statement and substituting the matter referred to in the statement.

#### **13 Application of provisions of these Rules to standard retail contracts**

Other provisions of these Rules apply to standard retail contracts to the extent provided by those provisions.

**Note 1:**

For example, Part 11 makes provision for electricity consumption benchmarks for residential customers under a customer retail contract, which relevantly includes standard retail contracts.

**Note 2:**

Rule 70 makes provision for the termination of a standard retail contract.

### **Division 2 Market retail contracts—terms and conditions generally**

#### **14 Terms and conditions of market retail contracts**

- (1) The terms and conditions of a market retail contract are as agreed between the retailer and the small customer, except as provided by these Rules.
- (2) Nothing in these Rules prevents the inclusion in a market retail contract of a term or condition that is the same or substantially the same as a term or condition of standard retail contracts that is not otherwise applicable to market retail contracts.

#### **15 Application of provisions of these Rules to market retail contracts**

- (1) Other provisions of these Rules apply to market retail contracts, to the extent provided by those provisions.
- (2) If a rule provides that a provision of these Rules applies in relation to market retail contracts:

- (a) the provision is a minimum requirement that is to apply in relation to small customers who purchase energy under a market retail contract; and

**Note:**

See section 34 (1) (a) of *the Law*.

- (b) the terms and conditions of the contract must not be inconsistent with the provision; and
- (c) the terms and conditions of the contract may supplement or augment the operation of the provision; and
- (d) the terms and conditions of the contract must not diminish the operation of the provision; and
- (e) the provision prevails to the extent of any inconsistency with any other term or condition of the contract.

## **Division 3                      Customer retail contracts—pre-contractual procedures**

### **16                      Pre-contractual duty of retailers**

- (1) This rule applies where a retailer is contacted by a small customer who is seeking to purchase energy for premises.
- (2) If the retailer is the designated retailer for the premises, the retailer:
  - (a) may elect to offer the customer a market retail contract; and
  - (b) must advise the customer of the availability of the retailer's standing offer, unless the customer is a small market offer customer.

**Note:**

Subrule (2) (b) is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (3) If the retailer is not the designated retailer for the premises and the retailer does not elect to offer the customer (whether at the request of the customer or of its own initiative) a market retail contract, the retailer:
  - (a) must refer the customer to the distributor for the premises concerned; and
  - (b) must inform the small customer that the distributor will be able to advise the customer which retailer has an obligation to make a standing offer that is applicable to the customer.

### **17                      Pre-contractual duty of distributors**

- (1) This rule applies where a distributor is contacted:

- (a) directly; or
  - (b) on referral by a retailer,  
  
by a small customer for premises who is seeking customer retail services for the premises.
- (2) The distributor must advise the small customer which retailer has an obligation to make a standing offer to the customer, and, if the customer is a move-in customer or is seeking a new connection, also inform the customer that:
- (a) requests for customer retail services must be made to a retailer; and
  - (b) the customer may be able to choose their retailer; and
  - (c) a list of retailers is available from the AER's website.

**Note:**

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

**18 Pre-contractual request to designated retailer for sale of energy (SRC)**

- (1) A small customer who wishes to purchase energy for premises under a standard retail contract may make a request to the designated retailer for the premises for the sale of energy in accordance with the retailer's standing offer.
- (2) The request may be made by telephone or in writing.
- (3) The small customer must:
  - (a) provide the customer's name and *acceptable identification*; and
  - (b) provide contact details for billing purposes; and
  - (c) ensure that there is safe and unhindered access to the *meter* at the premises.
- (4) Compliance with subrule (3) is a pre-condition to the formation of a standard retail contract (as referred to in section 26 of *the Law*).
- (5) The designated retailer may include in the charges under the standard retail contract any outstanding amounts owed by the small customer to the retailer from an unpaid account (excluding unpaid amounts for premises for which the customer has an ongoing customer retail contract).
- (6) The designated retailer is not entitled to refuse to sell energy to a small customer who is a residential customer on the ground that the customer owes the retailer the outstanding amounts referred to in subrule (5).

- (7) Where:
- (a) a retailer has arranged for the de-energisation of a small customer's premises (other than where the retailer has arranged for de-energisation due to failure to pay a bill under rule 111); and
  - (b) the customer has not within 10 business days of de-energisation rectified the matter that gave rise to the de-energisation,

the retailer may decline to enter into a customer retail contract with the customer and to arrange for energisation of the premises until the matter that gave rise to the de-energisation has been rectified.

## **19 Responsibilities of designated retailer in response to request for sale of energy (SRC)**

- (1) A designated retailer must, as soon as practicable, provide a small customer requesting the sale of energy under the retailer's standing offer with the following information:
- (a) a description of the retailer's standard retail contract that is formed as a result of the customer accepting the standing offer and how copies of the contract may be obtained;
  - (b) a description of the retailer's and customer's respective rights and obligations concerning the sale of energy under *the Law* and these Rules, including the retailer's standard complaints and dispute resolution procedures;
  - (c) information about the availability of government funded energy charge rebate, concession or relief schemes;
  - (d) information in community languages about the availability of interpreter services for the languages concerned and telephone numbers for the services.
- (2) The retailer must, as soon as practicable (but not later than the end of the next business day) after the request for the sale of energy is properly made (as referred to in subrule (3)), forward relevant details of the customer to the distributor for the premises concerned, for the purpose of:
- (a) updating the distributor's records, if the premises are energised; or
  - (b) arranging for the energisation of the premises by the distributor, if the premises are not energised.

### **Note:**

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (3) A request for the sale of energy is properly made when:

- (a) the request has been received by the retailer; and
- (b) the small customer has complied with the requirements under rule 18 (3); and
- (c) the small customer is otherwise entitled to receive the sale of energy in accordance with the standard retail contract.

## **Division 4            Customer retail contracts—billing**

### **20            Basis for bills (SRC and MRC)**

- (1) A retailer must base a small customer's bill for the customer's consumption of:
  - (a) electricity:
    - (i) on *metering data* provided for the relevant *meter* at the customer's premises provided by the *responsible person* and determined in accordance with the *metering rules* and rule 21; or
    - (ii) on any other method agreed by the retailer and the small customer.
  - (b) gas:
    - (i) on an actual reading of the relevant *meter* at the customer's premises provided by the *responsible person* and determined in accordance with the *metering rules*; or
    - (ii) on *metering data* provided for the relevant *meter* at the customer's premises provided by the *responsible person* and determined in accordance with the *metering rules*; or
    - (iii) on an estimation of the customer's consumption of energy, as provided by rule 21; or
    - (iv) on any other method agreed by the retailer and the small customer.
- (2) The retailer must use its best endeavours to ensure that actual readings of the *meter* are carried out as frequently as is required to prepare its bills consistently with the *metering rules* and in any event at least once every 12 months.
- (3) Despite subrules (1) and (2), if there is no *meter* in respect of the customer's premises, the retailer must base the customer's bill on energy data that is calculated in accordance with applicable energy laws.
- (4) **Application of this rule to standard retail contracts**

This rule applies in relation to standard retail contracts.

(5) **Application of this rule to market retail contracts**

This rule applies in relation to market retail contracts.

**21 Estimation as basis for bills (SRC and MRC)**

- (1) A retailer may base a small customer's bill on an estimation of the customer's consumption of energy where:
  - (a) the customer consents to the use of estimation by the retailer; or
  - (b) the retailer is not able to reasonably or reliably base the bill on an actual *meter* reading; or
  - (c) *metering data* is not provided to the retailer by the *responsible person*.
- (2) Where estimations are permitted to be used as the basis for a small customer's bill, the estimations may be based on:
  - (a) the customer's reading of the relevant *meter*; or
  - (b) historical *metering data* for the customer reasonably available to the retailer; or
  - (c) the average usage of energy by a comparable customer over the corresponding period, if there is no historical *metering data* for the customer.
- (3) The retailer must inform the small customer, on the bill, that the bill is based on an estimation.
- (4) Without affecting rule 20 (2), if the retailer has issued the small customer with a bill based on an estimation and the retailer subsequently issues the customer with a bill that is based on an actual *meter* reading or on *metering data*:
  - (a) the retailer must include an adjustment on the later bill to take account of any overcharging of the customer that has occurred; and
  - (b) unless the actual *meter* reading or *metering data* could not be obtained as a result of an act or omission by the customer, the retailer must, if requested to do so by the customer, offer the customer time to pay any undercharged amount by agreed instalments, over a period being no longer than:
    - (i) the period during which an actual *meter* reading or *metering data* was not obtained, where that period is less than 12 months; or
    - (ii) in any other case, 12 months.

**Note:**

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (5) Where an attempt to read the small customer's *meter* is unsuccessful due to an act or omission of the customer, and the customer subsequently requests a retailer to replace an estimated bill with a bill based on an actual *meter* reading, the retailer must comply with that request but may pass through to that small customer any costs it incurs in doing so.

(6) **Application of this rule to standard retail contracts**

This rule applies in relation to standard retail contracts.

(7) **Application of this rule to market retail contracts**

This rule applies in relation to market retail contracts (other than prepayment *meter* market retail contracts), but only to the extent (if any) a contract provides for estimation as the basis for the small customer's bill.

## 22 Proportionate billing (SRC and MRC)

- (1) If a small customer's bill covers a period other than the customer's usual billing cycle or a period during which the customer's tariff changes, the retailer must charge in proportion to the relevant periods and clearly show relevant details on the bill.

(2) **Application of this rule to standard retail contracts**

This rule applies in relation to standard retail contracts.

(3) **Application of this rule to market retail contracts**

This rule applies in relation to market retail contracts.

## 23 Bill smoothing (SRC)

- (1) Despite rules 20 and 21, a retailer may, in respect of any 12 month period, provide a small customer with bills based on an estimation under a bill smoothing arrangement if and only if:
- (a) the amount payable under each bill is initially the same and is set on the basis of the retailer's initial estimate of the amount of energy the customer will consume over the 12 month period; and
  - (b) that initial estimate is based on the customer's historical billing data or, where the retailer does not have that data, average usage of energy by a comparable customer calculated over the 12 month period; and
  - (c) in the seventh month:
    - (i) the retailer re-estimates the amount of energy the customer will consume over the 12 month period, taking into account any actual *meter* readings or actual *metering data* and relevant seasonal factors; and

- (ii) if there is a difference between the initial estimate and the re-estimate of greater than 10 per cent, the amount payable under each of the remaining bills in the 12 month period is to be reset to reflect that difference; and
  - (d) at the end of the 12 month period, the *meter* is read or *metering data* is obtained and any undercharging or overcharging is adjusted under rule 30 or 31.
- (2) The explicit informed consent of the small customer is required for the retailer's billing on the basis referred to in subrule (1).
- (3) **Application of this rule to standard retail contracts**  
This rule applies in relation to standard retail contracts.
- (4) **Application of this rule to market retail contracts**  
This rule does not apply in relation to market retail contracts, but this subrule does not prevent a retailer from including bill smoothing arrangements in a market retail contract.

## **24 Frequency of bills (SRC)**

- (1) A retailer must issue bills to a small customer at least once every 3 months.  
**Note:**  
This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (4) **Application of this rule to market retail contracts**  
This rule does not apply in relation to market retail contracts.

- (2) A retailer must ensure that a “no contact list” is created and maintained for its retail marketers, whether by the retailer itself or by a person or organisation on behalf of the retailer.
- (3) A “no contact list” is a list of small customers who indicate they wish to be placed on the list.

- (4) A small customer may give such an indication by applying (in person, electronically, by telephone or in writing) to the retailer or by communicating directly with a retail marketer.
- (5) A retail marketer must not make contact with a small customer whose name is on the relevant no contact list.
- (6) An entry for a particular small customer in a no contact list continues for a period of 2 years, but the period is refreshed each time the customer requests inclusion or maintenance of inclusion.

If a small customer is unable to fulfill an obligation in respect of:

- (a) premises (including, but not limited to, access to premises) under a customer retail contract; or
- (b) access to premises under these Rules,

because the customer is not the owner of the premises, the customer is not in breach of the contract or the Rules if the customer takes all reasonable steps to ensure that the owner or other person responsible for the premises fulfils the obligation.

### 70      Termination of standard retail contract (SRC)

- (1) A standard retail contract terminates:

- (a) subject to subrule (3), in a case where the small customer:
  - (i) gives the retailer a notice (a **termination notice**) stating that the customer wishes to terminate the contract (even if the customer has vacated the premises earlier); or
  - (ii) is reclassified under the Rules as a large customer,  
  
on a date advised by the retailer (which must be at least 5 but not more than 20 business days from the giving of a termination notice or a reclassification); or
- (b) on a date agreed between the retailer and the small customer; or
- (c) when the small customer starts receiving customer retail services for the premises under a different customer retail contract with the retailer or a different retailer; or
- (d) when a different customer starts receiving customer retail services for the premises under a customer retail contract with the retailer or a different retailer; or
- (e) at the end of the period of 10 business days commencing on the day the small customer's premises are de-energised, if there is no contractual right to re-energisation,

whichever first occurs.

- (2) Where a small customer gives a termination notice and notifies the retailer of a date on which the small customer intends to vacate the premises, the retailer must:

- (a) use its best endeavours to ensure that the relevant *meters* are read at, or the relevant *metering data* is obtained for, the premises on the date and at the time agreed with the small customer (or as soon as possible after that date if the small customer has not provided access to the relevant *meters* on that date or at that time); and
  - (b) prepare and send to the small customer at the forwarding address provided by the small customer a final bill based on the relevant *meter* reading or *metering data*.
- (3) If the small customer gives a termination notice, or is reclassified under the Rules as a large customer, but does not give safe access to the premises to conduct a final *meter* reading (where relevant), the standard retail contract does not terminate under subrule (1) (a) until the date the retailer issues a final bill and the customer has paid any outstanding balance.
- (4) A retailer must not impose a termination charge (however described) under a standard retail contract in respect of the termination of the contract.

**Note:**

This subrule is a civil penalty provision for the purposes of *the Law*. (See the National Regulations, clause 6 and Schedule 1.)

- (5) Termination of a standard retail contract does not affect any rights or obligations that have already accrued under the contract.
- (6) Where there is an existing standard retail contract between a retailer and a small customer who is reclassified under the Rules as a large customer, the retailer is no longer obliged to make a standing offer to the customer.
- (7) This rule has effect subject to section 141 of *the Law*.
- (8) **Application of this rule to standard retail contracts**

This rule applies in relation to standard retail contracts.

- (9) **Application of this rule to market retail contracts**

This rule does not apply in relation to market retail contracts.
