

# Notice under National Gas Law

The Australian Energy Market Commission (AEMC) gives notice under the National Gas Law of the following matter.

Under section 317, the period of time for the making of the draft Rule determination on the *Optimisation of Regulatory Asset Base and Use of Fully Depreciated Assets* Rule proposal has been extended to **17 May 2012**.

Further details and all documents on the above matter are available on the AEMC's website [www.aemc.gov.au](http://www.aemc.gov.au). The relevant documents are also available for inspection at the offices of the AEMC.
