

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the AER has requested the *AER Authorisation of Software Changes by AEMO* proposal (Ref. ERC0151). The proposal seeks to amend the NER in order to provide AEMO with greater flexibility in relation to the manner in which it makes software changes. The AEMC intends to expedite the proposal under s 96 as it considers the proposed rule to be non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **7 November 2013**. Submissions must be received by **21 November 2013**.

Under s 95, AEMO has requested the *Governance of retail market procedures* proposal (Ref. ERC0162). The proposal seeks to make changes to the governance frameworks for the development of procedures required under Chapter 7 of the NER. Submissions must be received by **21 November 2013**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
