

# Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107, the period of time for the making of the draft Rule determination on the *Provision of Metering Data Services and Clarification of Existing Metrology Requirements* Rule proposal has been extended to **22 April 2010**.

Under section 95, the Ministerial Council on Energy has requested the *Scale Efficient Network Extensions* Rule proposal (Project Ref. ERC0100). The proposal seeks to introduce a new framework for the efficient connection of clusters of new generation that are expected to request connection over a period of time. Submissions must be received by **13 May 2010**.

Submissions on this proposal can be lodged online via the AEMC's website at [www.aemc.gov.au](http://www.aemc.gov.au). Before lodging your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
