Consultation on the Reliability Panel's review of the performance of the National Electricity Market during 2012-13

The Reliability Panel (Panel) is currently conducting its annual review of the performance of the National Electricity Market for the 2012-13 financial year (2013 Annual Market Performance Review). The review focuses on the performance of the market in terms of reliability of the power system, and the power system security and reliability standards.

The Panel published a draft report on the 2013 Annual Market Performance Review on **20 December 2013**. Close of consultation on this draft report has now been extended from 14 February to the close of business on **26 February 2014**.

Electronic submissions must be lodged online through the Australian Energy Market Commission's website www.aemc.gov.au using the link entitled "lodge a submission" and reference code "REL0052". The submission must be on letterhead (if submitted on behalf of an organisation), signed and dated.

Or, if choosing to make submissions by mail, the submission must be on letterhead (if submitted on behalf of an organisation), signed and dated. The submission may be posted to:
