

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under ss 102 and 103, the making of the *National Electricity Amendment (Victorian jurisdictional derogation, smelter agreements) Rule 2014 No. 2* and related final determination. All provisions commence on **1 August 2014**.

Under s 95, the AEMC has requested the *Minor Changes 2014* proposal (Ref. ERC0170). The proposal seeks to correct minor errors and make non-material changes to the Rules. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **24 April 2014**. Submissions must be received by **8 May 2014**.

Under s 95, the Minister for Mineral Resources and Energy (South Australia) has requested the *Bidding in good faith* proposal (Ref. ERC0166). The proposal seeks to make a number of changes to the good faith bidding provisions that govern generator behaviour when offering electricity to the wholesale market. Submissions must be received by **22 May 2014**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
