

Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matters.

Under section 107, the period of time for the preparation of the draft determination for the proposed National Electricity Amendment (Central Dispatch and Integration of Wind and Other Intermittent Generation) Rule 2007 has been extended to **11 October 2007**.

Under sections 102 and 103, the making of:

- the National Electricity Amendment (Cost Recovery of Localised Regulation Services) Rule 2007 No.5; and
- the National Electricity Amendment (Efficient Dispatch of Regulation Services) Rule 2007 No.6,

and corresponding final determinations. The Rules (and all provisions) commence on **1 January 2009**.

Under sections 95 and 96, NEMMCO has requested the making of the proposed National Electricity Amendment (Timing of System Restart Ancillary Services Testing) Rule 2007. The AEMC intends to expedite the making of the Rule subject to any written objections. The proposed Rule seeks to clarify the timing for the physical testing of facilities that provide System Restart Ancillary Services. In relation to this proposal:

- written objections must be received by **6 September 2007**; and
- submissions must be received by **24 September 2007**;
- written objections and submissions should be forwarded to submissions@aemc.gov.au; and
- submissions and written objections will be published on the AEMC's website subject to a claim of confidentiality.

Further details on the above matters are available on the AEMC's website www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
