

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107A, the period of time for the making of the final determination on the draft *National Electricity Amendment (Setting VoLL Following the Shedding of Interruptible Load) Rule 2008* (Project No. ERC0061) has been extended to **21 November 2008**. The AEMC requires further submissions on whether the dispatch price should be set to VoLL by NEMMCO where load is being restored following automatic load shedding and there is found to be a shortage of generation supply. Submissions must be received by **6 November 2008**.

Under sections 102 and 103,

- the making of the *National Electricity Amendment (Regulatory Test Thresholds and Information Disclosure on Network Replacements) Rule 2008 No. 9* and related final determination; and
- the making of the *National Electricity Amendment (Performance Standard Compliance of Generators) Rule 2008 No. 10* and related final determination.

All provisions commence on **23 October 2008**.

Under section 99, the making of a draft determination and draft *National Electricity Amendment (Ramp Rates, Market Ancillary Service Offers, and Dispatch Inflexibility) Rule 2008* (Project No. ERC0065). In relation to the draft determination:

- requests for a pre-determination hearing must be received by **31 October 2008**; and
- submissions must be received by **5 December 2008**.

Submissions and requests for a hearing should be forwarded to submissions@aemc.gov.au and must cite the Project No. in its title.

Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Further details on the above matters are available on the AEMC's website www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
