

AEMC Reliability Panel

Issues paper in relation to the review of the reliability setting and standards guidelines

The Reliability Panel (the Panel) has commenced consultation in relation to its issues paper on the review of the reliability setting and standard guidelines (the guidelines).

This issues paper is published in accordance with clause 8.9 of the rules consultation procedures.

The Panel invites stakeholders to tender submissions in relation to the issues paper by **Thursday 11 August 2016**.

Submissions may be lodged **electronically, by mail or by fax**.

Electronic submissions may be lodged online through the AEMC's website www.aemc.gov.au using the link entitled "lodge a submission" and reference code "REL0059". Submissions must be on letterhead (if submitted on behalf of an organisation), signed and dated.

Submissions lodged by mail must be on letterhead (if submitted on behalf of an organisation), signed and dated. Submission may be posted to:

Reliability Panel
Australian Energy Market Commission
PO Box A2449
SYDNEY SOUTH
NSW 1235

or sent by fax to (02) 8296 7899.

As per the rules consultation procedures, stakeholders are welcome to request a meeting to discuss specific issues in more detail, if they consider this would help in the process of consultation.

The following table outlines the key milestones with indicative dates for this review:

Milestones	Date
Publish issues paper and notice	7 July 2016
Submissions due in relation to issue paper	11 August 2016
Publish draft determination and draft guidelines	October 2016
Submissions due in relation to draft determination and guidelines	Late October 2016
Publish final determination and guidelines	December 2016

For further information in relation to the Panel's review of the guidelines, please contact Christiaan Zuur at the AEMC on **(02) 8296 7841**.
