

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, COAG Energy Council has requested the rule change *Improving the accuracy of customer transfers* (Ref. ERC0195). The proposal seeks to improve the experience of small customers when transferring to new electricity or gas retailers. Submissions must be received by **9 June 2016**.

Under s 95, COAG Energy Council has requested the rule change *Using estimated reads for customer transfers* (Ref. ERC0196). The proposal seeks to reduce the time it takes small customers to transfer to a new retailer by allowing customers with manually-read meters to transfer based on an estimated meter read. Submissions must be received by **9 June 2016**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality. Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
