

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under ss 102 and 103, the making of the *National Electricity Amendment (Bidding in Good Faith) Rule 2015 No. 13* and related final determination. All provisions commence on **1 July 2016**.

Under s 95, AEMO has requested the *Application of offsets in the Prudential Margin calculation* proposal (Ref. ERC0188). The proposal seeks to remove clause 3.3.8(e) from the National Electricity Rules and amend the treatment of offsets in the prudential margin calculation. Submissions must be received by **4 February 2016**.

Under s 95, City of Sydney, Total Environment Centre and the Property Council of Australia have requested the *Local Generation Network Credits* proposal (Ref. ERC0191). The proposal seeks to introduce a payment from distribution networks to embedded generators that reflects any benefits embedded generators may provide to the network. Submissions must be received by **4 February 2016**.

Under s 107, the time for making the draft determination on the *Local Generation Network Credits* proposal has been extended to **14 July 2016**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
