

Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107, the period of time has been extended for:

- the preparation of the final determination on the draft National Electricity Amendment (Transmission Last Resort Planning) Rule 2007 to **8 March 2007**; and
- the preparation of the final determination on the draft National Electricity Amendment (Technical Standards for Wind Generation and other Generator Connections) Rule 2007 to **8 March 2007**.

Under section 102, the making of the final determination on the National Electricity Amendment (Reallocations) Rule 2007.

Under section 99, the making of the draft determination on the Obligations of Network Service Providers (Connection Applicants) proposal. Submissions must be received by **30 March 2007** and any requests for a hearing must be received by **22 February 2007**. Submissions and requests should be forwarded to submissions@aemc.gov.au. The Commission publishes all submissions on its website subject to a claim of confidentiality.

Further details on the above matters are available on AEMC's website www.aemc.gov.au.
