

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 99, the making of a draft determination and draft *National Electricity Amendment (Victoria Generator Technical Performance Standards Derogations) Rule 2010* (Project Ref. ERC0102). In relation to the draft determination:

- requests for a pre-determination hearing must be received by **24 June 2010**;
- submissions must be received by **30 July 2010**; and
- requests for a hearing should be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in its title.

Under section 95, the AER has requested the *Timing for spot price reporting* Rule proposal (Project Ref. ERC0111). The proposal seeks to extend the timeframe for publishing reports on trading intervals in which the spot price exceeds \$5000/MWh from within 20 business days of the end of the week in which the spot price exceeded \$5000/MWh to within 40 business days of the end of the week in which the spot price exceeded \$5000/MWh. The AEMC intends to expedite the proposal under section 96 on the grounds that it considers the proposed Rule is non-controversial, subject to the receipt of written objections.

In relation to the proposal:

- written objections must be received by **1 July 2010**; and
- submissions must be received by **15 July 2010**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au Before lodging your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Objections can be forwarded to submissions@aemc.gov.au and must cite the relevant Project Ref. in the title. Before lodging your objection, you must review the AEMC's privacy collection statement on its website at www.aemc.gov.au

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
