

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 107, the period of time for the making of the draft determination on the *Causer Pays for Ancillary Services to Control the Tasmanian Frequency* Rule proposal has been extended to **13 August 2009**.

Under section 41, the Ministerial Council on Energy has provided a direction to the AEMC to undertake a review of the effectiveness of the National Electricity Market security and reliability arrangements in light of recent extreme weather events.

Further details on the above matters are available on the AEMC's website www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
