

Notice to extend time period under section 107 National Electricity Law

Draft National Electricity Amendment (TransGrid Participant Derogation – Treatment of Contingent Projects (Interim Arrangements)) Rule 2006

The Australian Energy Market Commission (Commission) has extended the time for the receipt of submissions in relation to this draft Rule determination

The Commission considers that as a result of an error occurring during publication of the above draft Rule, it is in the public interest to extend the time period for submissions by a further 6 weeks. Submissions must be received no later than **19 April 2006**.

The draft determination including a correct draft Rule are published on the Commission's website and are available for inspection at the offices of the Commission. The Commission's policy is to promptly publish all submissions on its website, subject to consideration of any claim of confidentiality.

A person making a written submission may request the Commission to hold a hearing in relation to a draft Rule determination. The request must be in writing and must be received no later than **20 March 2006**.
