

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matter.

Under section 95, the Australian Energy Market Operator (AEMO) has requested the Application of Dual Marginal Loss Factors Rule proposal (Project Ref. ERC0117). The proposal seeks to amend the way that AEMO calculates and applies intra-regional loss factors. Specifically, the proposal seeks to amend the Rules for loss factors at connection points where the difference between the annual energy consumed and generated is less than 30% of the annual energy generated. Submissions must be received by 13 January 2011.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
